*Before You Say I Don't* Jul 30 2022 As divorce statistics continue to rise, so too does the amount of emotional, social, spiritual, and economic damage caused when marriages end. Divorce has become easier than the effort of rebuilding a troubled marriage. And yet, so often, those who survive difficult divorces say that if they could rewrite the past, they would never have divorced. Because divorce is so readily available, people don't consider the long-term ramifications of the act until it's too late. In *Before You Say "I Don't,"* Pastor Rick Goff provides a workbook and guide for couples considering divorce. Goff asks you to think about why you married before going on to give you reasons to stay together-and the tools to help you do so. Most important, he reminds us of what God intended for

marriage and how divorce has negative effects on families, children, and, on a larger scale, the nation. Some marriages will end in divorce. This is an inevitability. But before yours does, isn't it worth making every effort to save it? Have faith in the purpose of marriage, and ask God for the healing needed to keep your family safe from the chaos of divorce.

*The Grandpa's Manual* May 16 2021 Being a Grandpa does not come with a book of instructions. Every Grandpa is as unique as a fingerprint, and each relationship with his grandkids usually molds itself into a customized experience of mutual advice, wisdom, and suggestions. It is written so the reader can pause, put it down, and say, "Hmm, I never thought of that!" Building a relationship with your grandkids is important business. So when grandkids look to Grandpa for advice and wisdom, they can see that Grandpas have grandkid challenges in the relationship too. Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom, Dad, or his little sister. Mom is a girl. Dad sometimes does not take it really seriously. And little sister may know his true love, and nothing will ever be sacred again. Who may be the one who will listen, not judge, and help soothe that broken spirit? It may be Grandpa. Grandpa has probably been in the same situation and knows how to stitch up the wound. Grandpa, have you ever raced your grandkid in a go-kart? Or have you run a zip line lately? What would you say if your grandkid asked you what it would be like to die? Do dogs go to heaven? What is prayer, and who is God? Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread? How do you handle life when Grandma dies? Where is the boundary line with Mom and Dad when it comes to giving opinions and advice? The Grandpa's Manual walks with you as you seek answers to these and many other questions. It is an exciting book that will move you in the direction of establishing the greatest role on earth--being a Grandpa.

The Manual For Living May 28 2022 THE MANUAL FOR LIVING is the first and best primer for living the best possible life -- as helpful in the twenty-first century as it was in the first. Epictetus's teachings rank among the greatest wisdom texts of human civilization. Epictetus taught that philosophy is a way of life and not just a theoretical discipline. To Epictetus, all external events are beyond our control; we should accept calmly and dispassionately whatever happens. However, individuals are responsible for their own actions, which they can examine and control through rigorous self-discipline. By putting into practice the ninety-three wise instructions that make up *The Art of Living*, readers learn to successfully meet the challenges of everyday life.

I'm Judging You Oct 01 2022 With over 500,000 readers a month at her enormously popular blog, *AwesomelyLuvvie.com*, Luvvie Ajayi has become a go-to source for smart takes on pop culture. *I'm Judging You* is her debut book of humorous essays that dissects our cultural obsessions and calls out bad behavior in our increasingly digital, connected lives—from the cultural importance of the newest Shonda Rhimes television drama to serious discussions of race and media representation to what to do about your fool cousin sharing casket pictures from Grandma's wake on Facebook. *What Do You Say?* Dec 23 2021 A guide to effectively communicating with teenagers by the bestselling authors of *The Self-Driven Child* If you're a parent, you've had a moment--maybe many of them--when you've thought, "How did that conversation go so badly?" At some point after the sixth grade, the same kid who asked "why" non-stop at age four suddenly stops talking to you. And the conversations that you wish you could have--ones fueled by your desire to see your kid not just safe and healthy, but passionately

engaged--suddenly feel nearly impossible to execute. The good news is that effective communication can be cultivated, learned, and taught. And as you get better at this, so will your kids. William Stixrud, Ph.D., and Ned Johnson have 60 years combined experience talking to kids one-on-one, and the most common question they get when out speaking to parents and educators is: What do you say? While many adults understand the importance and power of the philosophies behind the books that dominate the parenting bestseller list, parents are often left wondering how to put those concepts into action. In *What Do You Say?*, Johnson and Stixrud show how to engage in respectful and effective dialogue, beginning with defining and demonstrating the basic principles of listening and speaking. Then they show new ways to handle specific, thorny topics of the sort that usually end in parent/kid standoffs: delivering constructive feedback to kids; discussing boundaries around technology; explaining sleep and their brains; the anxiety of current events; and family problem-solving. *What Do You Say?* is a manual and map that will immediately transform parents' ability to navigate complex terrain and train their minds and hearts to communicate ever more successfully.
