A Wrinkle in Time Feb 23

2022 *A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more

would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. **The Lightning Thief** Nov 03 2022 Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately,

mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

Increase Vocabulary by Reading Franz Kafka's Metamorphosis

Jul 07 2020
 Reading, unlike memorizing definitions, is a natural way of acquiring vocabulary. Franz Kafka's METAMORPHOSIS is rich in vocabulary essential to the intellectual progress of modern learners. INCREASE VOCABULARY BY READING FRANZ KAFKA'S METAMORPHOSIS introduces those words with definitions, pronunciations guides, and sample sentences. It then gives the reader the opportunity to experience those words in context. Learning is quizzed, opportunity for usage is provided, and (in an appendix) additional examples from classic literature are presented. For many words, variations (with examples) are also presented. Where appropriate, Research has long since established positive

correlations between vocabulary and comprehension and between comprehension and learning. Equally well-established is the correlation between reading and vocabulary development. Classic literature is rich in vocabulary—not only for its creative use of language but for its demonstrative usage of words. Put another way, in the classic literature, words “come alive!”
THE VOCABULARY FROM THE CLASSICS SERIES combines the natural accumulation of vocabulary skills through involvement with language and specific language instruction. The selections also provide opportunities to test progress in recognition and to practice usage of vocabulary words.
