**Lillie** Apr 03 2020 If you know anything about unshakable faith, supernatural faith, faith that knows no boundaries, faith against all odds, faith that pushes you beyond anything normal, faith that makes you do things that have never been done before, then you know something about me. If you are not familiar with this kind of faith, I assure you that before you finish reading this book, you will relate to it because you have it in you, but you have been suppressing it because of people's opinions and fear of the unknown. I, on the contrary, have been running away from most things people would run to. I have left certainty for uncertainty so many times. Something was wrong with me big-time (you may say). By the age of ten, I knew what I wanted to be when I grew up: a doctor or a lawyer, because I loved and cared about people. Something happened and my world came crashing down on me and I got lost and confused in the crowd, but Father God had planted a precious seed in me and I refused to let anything or anybody take that away from me. I paid very high prices for my stubbornness. I lost my daughter, my son got messed up by drugs, and I almost lost my life. Domestic violence and abusive relationships were the big issues in my life. I refused to compromise and give in to them. When I couldn't handle running from one abusive relationship to another anymore,..... MY FAITH HAS NEVER BEEN ABOUT WHAT I BELIEVE GOD FOR, MY FAITH HAS ALWAYS BEEN ABOUT WHO I BELIEVE GOD IS. - Queen Juliet El Shaddai "Whosoever therefore shall confess me before men, him will I confess also before my Father which is in Heaven." (Matthew 10:32 NKJV).
