Understanding Maxine Hong Kingston Jul 30 2022 Maxine Hong Kingston is known for using a distinctive blend of autobiography, fantasy, and folklore to explore the history, experience, and identity of Chinese Americans. This is exemplified in her first book, *The Woman Warrior*, winner of the National Book Critics Circle Award for nonfiction, a bestseller, and a staple on college and university syllabi. Although *The Woman Warrior* is by far her most celebrated book, Kingston has penned a wide range of essays, fiction, and poetry, including *China Men*, *Tripmaster Monkey*, *Hawai'i One Summer*, *To Be a Poet*, *The Fifth Book of Peace*, *I Love a Broad Margin to My Life*, and the edited volume *Veterans of War, Veterans of Peace*. *Understanding Maxine Hong Kingston* is the first book-length work to examine the entirety of Kingston's literary career, from *The Woman Warrior* to her most recent volume of poetry. Julia H. Lee weaves together scholarly assessments, interviews, biographical information, and her own critical analysis to provide a complete and complex picture of Kingston's works and its impact on memoir, feminist fiction, Asian American literature, and postmodern literature. Lee examines the influence that previous generations of Asian American authors, feminism, and antiwar activism have had on Kingston's work. Offering important contextual information about Kingston's life, Lee shows how it has so often served as a starting point for Kingston's writing. Also studied are her complex attitudes toward genre, and her ever-evolving identity as a novelist, essayist, memoirist, and poet. A comprehensive bibliography of critical

secondary sources will be an invaluable resource for readers and critics of Kingston's works.

My Mom is a Fob Nov 02 2022 Fob (noun)-derived from the acronym F.O.B. ("fresh off the boat") Does your mom still make Peking duck instead of turkey on Thanksgiving, own a giant cleaver, or take twenty-four more napkins than she needs at Chipotle? Your mom may be a fob. Through their hit blog "My Mom Is a Fob," Teresa and Serena Wu have seized ownership of this formerly derogatory term, applying it instead to the heartfelt, hilarious, and thoroughly unique ways that Asian mothers adapt to American culture, from the perspective of those who love them most: their children. Through texts, emails, phone calls, and more, *My Mom Is a Fob* showcases the stories of a community of Asian-American kids who know exactly what it's like to be on the receiving end of that amazing, unconditional, and sometimes misspelled love. It's about those Asian mothers who refuse to get in the car without their sun-protective arm sheaths, the ones who send us passive-aggressive text messages "from the dog" in hopes that we'll call home, and email us unsolicited advice about everything from homosexuality to constipation. In these pages you'll find solace in the fact that thousands of moms out there are as painfully nosy, unintentionally hilarious, and endearingly fobby as yours is.

Global Asian American Popular Cultures Aug 31 2022 A toolkit for understanding how Asian

Americans influence, consume and are reflected by mainstream media. Asian Americans have long been the subject and object of popular culture in the U.S. The rapid circulation of cultural flashpoints—such as the American obsession with K-pop sensations, Bollywood dance moves, and sriracha hot sauce—have opened up new ways of understanding how the categories of “Asian” and “Asian American” are counterbalanced within global popular culture. Located at the crossroads of these global and national expressions, *Global Asian American Popular Cultures* highlights new approaches to modern culture, with essays that explore everything from music, film, and television to comics, fashion, food, and sports. As new digital technologies and cross-media convergence have expanded exchanges of transnational culture, Asian American popular culture emerges as a crucial site for understanding how communities share information and how the meanings of mainstream culture shift with technologies and newly mobile sensibilities. Asian American popular culture is also at the crux of global and national trends in media studies, collapsing boundaries and acting as a lens to view the ebbs and flows of transnational influences on global and American cultures. Offering new and critical analyses of popular cultures that account for emerging textual fields, global producers, technologies of distribution, and trans-medial circulation, this ground-breaking collection explores the mainstream and the margins of popular culture.

Ernst Kantorowicz Dec 23 2021 The first complete biography of an influential historian whose dramatic life intersected with many great events and thinkers of the twentieth century This is the first complete biography of Ernst Kantorowicz (1895–1963), an influential German-American medieval historian whose colorful life intersected with many of the great events and thinkers of his

time. Born into a wealthy Prussian-Jewish family, he fought in World War I—earning an Iron Cross and an Iron Crescent—before being sent home following an affair with a general’s mistress. Though he was an ardent German nationalist during the Weimar period, after the Nazis came to power he bravely spoke out against the regime before an overflowing crowd in Frankfurt. He narrowly avoided arrest after Kristallnacht, fleeing to England and then the United States, where he joined the faculty at Berkeley, only to be fired in 1950 for refusing to sign an anticommunist “loyalty oath.” From there, he “fell up the ladder” to Princeton’s Institute for Advanced Study, where he wrote his masterwork, *The King’s Two Bodies*. Drawing on many new sources, including numerous interviews and unpublished letters, Robert E. Lerner tells the story of a major intellectual whose life and times were as fascinating as his work.
