government's premier source of career guidance featuring hundreds of occupations such as carpenters, teachers, and veterinarians, revised annually. The latest version contains employment projections for 13 research objectives and research questions. Kenpro Nov 01 2022 Sep 18 2012. The only difference between research questions and objectives is that research questions are stated in a question form while objectives are stated in a statement form. For an objective to be good, it should be smart, specific, measurable, achievable, relevant, and time-bound. The importance of research objectives lies in the fact that they
