The Dickson Baseball Dictionary (Third Edition) Mar 02 2020 The definitive work on the language of baseball—one of the “Five Best Baseball Books” (Wall Street Journal). Hailed as “a staggering piece of scholarship” (Wall Street Journal) and “an indispensable guide to the language of baseball” (San Diego Union-Tribune), The Dickson Baseball Dictionary has become an invaluable resource for those who love the game. Drawing on dozens of nineteenth- and early twentieth-century periodicals, as well as contemporary sources, Dickson’s brilliant, illuminating definitions trace the earliest appearances of terms both well known and obscure. This edition includes more than 10,000 terms with 18,000 individual entries, and more than 250 photos. This “impressively comprehensive” (The Nation) book will delight everyone from the youngest fan to the hard-core aficionado.

Webster's Sports Dictionary Oct 21 2021 Definitions and explanations of commonly used and inside terms peculiar to competitive, recreational, and spectator sports and games, team and individual, are augmented by drawings and diagrams

Special Dictionary for Sports and Games Jun 04 2020

The SAGE Dictionary of Sports Studies Nov 09 2020 ... A welcome addition to the literature in the rapidly expanding field of sports studies. It is up to date, comprehensive, and well and clearly written. Though primarily sociological in its orientation, it will help students -postgraduate and undergraduate alike and their teachers as well - to establish connections between the various sub-disciplines and guide them to sources which will enable them to probe issues more deeply ... It is a beautifully crafted book and is sure to be a hit with students and their teachers. It would not surprise me in the least, however, if it appealed to sports lov.

For rules and regulations within the major sport disciplines, website addresses of the relevant federations are provided. To facilitate the use of this dictionary for an international audience, a translation of the English terms into twelve languages is included on a CD accompanying the volume. Furthermore, the list of sport-related dictionaries has been updated and extended.

Historical Dictionary of Soccer Jan 24 2022 Soccer is the world's most popular sport and one of the globe's best known cultural practices. The pinnacle of the sport worldwide is the FIFA World Cup, a competition held every four years, which crowns one nation as the world champion in front of huge global television audiences: over half of the planet's population watched the 2010 FIFA World Cup final between Spain and the Netherlands. From the humble origins of modern soccer in Great Britain in the 19th century, world soccer has become today a vast, commercialized global industry, with huge salaries paid to the biggest stars due to the massive amounts of revenue generated through the sale of television rights, ticket sales, and sponsorship income. The Historical Dictionary of Soccer presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, numerous appendixes that list everything from the FIFA World Player of the Year to FIFA World Cup Winners and Runners-Up to the UEFA Champions League Winners and Runners-Up, and over 400 cross-referenced dictionary entries on places, teams, terminology, and people, including Garrincha, Pelé, Johan Cruyff, Diego Maradona, Zinedine Zidane, and Lionel Messi. This book is an excellent access point for students, researchers, and anyone wanting to know more about soccer.

Historical Dictionary of Basketball Jun 16 2021 The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball_ amateur, professional, men's, women's, Olympic, domestic, and international_ from its invention in 1891 by Dr. James Naismith through the present day. This is done through a chronology, an introductory essay, an extensive bibliography, and over 600 cross-referenced dictionary entries on the people, places, teams, and terminology of the game.

Sports Talk Dec 23 2021 provide[s] informative and entertaining browsing, depicting how filled our language is with sports metaphors, many of whose derivations are little known: 'the devil to pay,' 'hazard a guess,' 'red herring,' etc. Even libraries with numerous other sports dictionaries will want this work. Recommended for high school, public, and academic libraries. Choice This comprehensive dictionary brings together for the first time the popular words and expressions in American English that derive from terms associated with sports, games, and recreation. Many of these terms are now an integral part of the language, with others joining them all the time. The more than 1,700 terms in the dictionary are arranged alphabetically by first word. Full entries follow. At the end of the book a useful appendix classifies the metaphors according to the sports from which they originate. Each entry in this exhaustive resource contains an example of the popular use of the metaphor, indicating its part of speech; a definition of the metaphor; an identification of the probable source of the term; a definition of the metaphor as used within the sport or game of origin; a citation of other reference works; a discussion of how the term evolved from sports to popular use; and cross-references to other entries. The entries are preceded by a key which decodes the abbreviations used for other reference works and are followed by the source list of metaphors. Sports Talk is an essential resource for teachers, journalists, historians, linguists, etymologists, coaches, and others interested in sports and the language.

Historical Dictionary of Boxing Dec 31 2019 Boxing is one of the oldest sports in the world, reaching back to the Ancient Greeks, although it has become popular only in the past century or so. But, in some ways, it is a rather complicated sport since to avoid unnecessary harm it has been endowed with rules to keep it clean, referees to see the rules are obeyed, and organizations to regulate the sport. Boxing was once largely amateur, although the professional bouts attracted the most attention, but now it is also an Olympic sport. And, over the years, there has been one champion after another who symbolized what boxing was all about, such as Joe Louis, Muhammad Ali and Cassius Clay. Naturally, these champions are the focus of the Historical Dictionary of Boxing as well, and they have the biggest entries in the dictionary section, but they had to fight against someone and there are dozens and dozens of other boxers with smaller entries. More of these boxers come from the United States than elsewhere, but there are others from Europe, Asia and Latin America, and there are also entries on the major boxing countries as well. Plus entries on the rules, on the organizations, and on the technical terminology and jargon you have to know just to follow the bouts. The introduction provides a broad view of boxing's history while the chronology traces events from 688 B.C. to 2012 A.D. Not all that much has been written on boxing that is not ephemeral, but much of that literature can be found in the bibliography. This book is an excellent access point for students, researchers, and anyone wanting to know more about the sport of boxing."

Technical Manual and Dictionary of Classical Ballet Jul 26 2019 From adagio to voyage, over 800 steps, movements, poses, and concepts are fully defined. A pronunciation guide and cross-references to alternate names for similar steps and positions also included.

Historical Dictionary of Figure Skating Feb 10 2021 The Historical Dictionary of Figure Skating relates the history of the sport through a chronology, an introductory essay, an extensive bibliography, and over 800 cross-referenced dictionary entries on hundreds of skaters, past and present, but also on skating countries, governing bodies, skating disciplines, technical elements, skating styles, and many other subjects. This book is an excellent access point for students, researchers, and anyone wanting to know more about the history of figure skating.

Dictionary Oct 28 2019

[Historical Dictionary of Skiing](#) Apr 14 2021 Skiing is one of the oldest modes of transportation known, predating the wheel with dated artifacts to prove its pedigree. Skiing for sport, however, did not become common until about 150 years ago. The first Winter Olympic Games, held in Chamonix, France in 1924, were the first to introduce skiing as a competition. Events were held in both ski jumping and cross-country skiing. With advances in technology and increased leisure time, the popularity of skiing as a sport has risen exponentially since it was first introduced. The Historical Dictionary of Skiing relates the history of the sport through a comprehensive alphabetical dictionary with detailed, cross-referenced entries on key figures, places, competitions, and governing bodies within the sport. Author E. John B. Allen introduces the reader to the history of skiing through a detailed chronology, an introductory essay, appendixes and an extensive bibliography. This book is an excellent access point for researchers, students, and anyone interested in the history of skiing.

[Historical Dictionary of Competitive Swimming](#) Aug 19 2021 Swimming has been an Olympic sport since the inception of the modern Games, originating with the 100, 400, and 1500 freestyle events, and the 100 freestyle for sailors. Although the spirit of the sport remains, the technology and competitive formats have advanced tremendously through the years. The number of events has increased to the point where the sport produces a true reflection of the world's best swimmers when competing in various distances and performing different strokes. Historical Dictionary of Competitive Swimming examines the sport since its inception as an athletic event through a chronology, an introductory essay, a bibliography, and appendixes that detail Olympic and World Championships medal winners. The dictionary section contains more than 500 cross-referenced entries on individuals, major competitions, competitive strokes, and countries that have enjoyed significant success in the sport.

Dictionary of Sport Psychology Aug 31 2022 Dictionary of Sport Psychology: Sport, Exercise, and Performing Arts is a comprehensive reference with hundreds of concise entries across sports, martial arts, exercise and fitness, performing arts and cultural sport psychology. This dictionary uses a global approach to cover philosophical and cultural backgrounds, theory, methodology, education and training and fields of application. Each entry includes phenomenon, subject description and definition, related theory and research, practice and application across sports and related performance domains. An authoritative, balanced and accessible presentation of the state-of-the-art in key subject areas, this dictionary is a must-have reference for anyone studying or practicing sport psychology. Provides a diverse cultural perspective to ensure the broadest coverage of internationalization Covers a broad scope of terms and concepts Includes extended performance domains, such as music, dance, theater arts and the circus Utilizes an alphabetical approach so entries are easily found and quickly referenced Contains entries written by leading researchers and scholars across the globe

[Biographical Dictionary of American Sports: A-F](#) May 16 2021 A standard source of first referral, Porter's multivolume Biographical Dictionary of American Sports adds a long-awaited revised and expanded edition of the popular 1987 Baseball volume and its supplements. This three-volume work profiles over 1,450 baseball luminaries, including current stars, former major league players, managers, umpires, executives, and Negro League and All-American Girls Professional Baseball League stars. All entries from earlier volumes are revised and updated, and 477 new figures are added. A handy reference, this comprehensive work provides more biographical information on these baseball professionals than any other reference available. Contributed by baseball historians, educators, and journalists, each profile highlights biographical data, career records, and honors; discusses the subject's accomplishments; and provides bibliographic information. These volumes will be an invaluable reference for baseball aficionados and all libraries.

[Biographical Dictionary of American Sports](#) Jul 06 2020 The sixth volume of the Biographical Dictionary of American Sports, this supplement includes entries on 616 major figures in baseball, football, basketball, and other sports.
