[The White Coat Investor](#) Jan 30 2020 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of Common Sense Investing "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

Introduction to Government Jan 12 2021 When a massive fire brakes out somewhere, firefighters come and extinguish the fire. When a terrorist attack occurs somewhere, police or elite forces arrive and eliminate the terrorists. Similarly, when a person develops any kind of disease, he goes to the doctor for treatment. There are so many examples of living in a fully developed and conducive society. But, at this, a question may flash into the mind who is working to make our society better and convenient? The answer is a government. Of course, a government calls for perfect management and impeccable administration skills. But, the Government has a much larger concept than a simple perspective of blended art of leadership and teamwork. Scroll down to take a brief journey to understand all aspects of the Government.

The Uniform Commercial Code Made Easy Oct 21 2021 The Uniform Commercial Code Made Easy marks the first time in the history of legal education that a novel has been used as a vehicle for delivering the content of a substantive body of law; in this case, a pervasive statutory scheme The Uniform Commercial Code, law in all fifty states. Mirroring the factual assumptions upon which the UCC was drafted, The Uniform Commercial Code Made Easy places the application of these laws in concrete and interesting commercial settings where they come to life. Logical reader questions are anticipated, and answered through a variety of communication channels uniquely available to the format chosen: dialogue, memoranda of law, texting and emails, are illustrative. If you are in business, the Uniform Commercial Code directly, impacts your business hundreds, perhaps thousands of times per day. Virtually every phase of a transaction in goods, from sale or lease through financing, is impacted by the laws of the UCC. Of particular significance are those provisions which can literally save a business from going under. These potential landmines need to be identified before they are stepped on. The Uniform Commercial Code Made Easy accomplishes this important task. Consumers should understand the basic laws the surround and govern their purchases leases and financing of goods. They should also understand, as should businesses, the impact of signing a promissory note, how the transfer of that note can affect one 's rights, and how to protect one 's rights when promissory notes are executed. Understanding how to protect your rights in these transactions is both empowering and essential. The mass and complexity of the Uniform Commercial Code has made comprehension and learning the content very challenging. The ease of learning is greatly enhanced by the approach utilized in The Uniform Commercial Code Made Easy. As one prominent attorney and author wrote in a recently published book review: Yes, Virginia, there is a Santa Claus! In this case, he comes in the form of former University of Miami School of Law professor Robert M. LeVine, who has made one of the most complicated bodies of law in the United States the Uniform Commercial Code not only comprehensible but entertaining. Tom Shuck, Esq. Past President, Federal Bar Association Federal Bar Association Journal, August 2111 Law students, business students, and CPA 's must know the Uniform Commercial Code. It is essential to graduate from law school and is on the bar examination of every state, and the CPA examination as well. The following are illustrative of testimonials received on The Uniform Commercial Code Made Easy: It 's true. The UCC is just as daunting as it looks, and this book is the key to unlocking its mysteries. Infused with practicality, The Uniform Commercial Code Made Easy combines every day transactions with straightforward law, allowing students to not only navigate the UCC with ease, but also develop a lasting understanding of the material. The Uniform Commercial Code Made Easy 's revolutionary approach to the UCC has extensive application both in and out of the classroom as a resource for professors and a study aid for students. The Uniform Commercial Code Made Easy by LeVine was my key to success in understanding the UCC, and enjoying it! Melissa Carroll Stetson University College of Law I was amazed. I never thought it possible to make the UCC interesting but I was wrong. For once I had found a book which made me understand the meaning and interrelationships among sections, and at the same time, I enjoyed reading it. F. William Harvey JD, MBA, Wharton School of Business The knowledge contained in the Uniform Commercial Code is invaluable to anyone in business, or any American who is involved in basic consumer transactions. The Uniform Commercial Code Made Easy creates a pathway to this level in a unique and entertaining manner.

Redesigning Continuing Education in the Health Professions Apr 26 2022 Today in the United States, the professional health workforce is not consistently prepared to provide high quality health care and assure patient safety, even as the nation spends more per capita on health care than any other country. The absence of a comprehensive and well-integrated system of continuing education (CE) in the health professions is an important contributing factor to knowledge and performance deficiencies at the individual and system levels. To be most effective, health professionals at every stage of their careers must continue learning about advances in research and treatment in their fields (and related fields) in order to obtain and maintain up-to-date knowledge and skills in caring for their patients. Many health professionals regularly undertake a variety of efforts to stay up to date, but on a larger scale, the nation's approach to CE for health professionals fails to support the professions in their efforts to achieve and maintain proficiency. Redesigning Continuing Education in the Health Professions illustrates a vision for a better system through a comprehensive approach of continuing professional development, and posits a framework upon which to develop a new, more effective system. The book also offers principles to guide the creation of a national continuing education institute.

In Love Mar 14 2021 NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships;

he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.
