Do you also have the feeling that most Christmas piano sheet music for beginners is still too difficult to play? One of the biggest mistakes you can make when you start learning the piano is trying to play difficult pieces too soon. It could take you too long to master a piece, which can quickly cause you to lose your motivation to play the piano. That is why many beginners give up after only a short time. So, to keep at it, it is important that your piano songs are adapted perfectly to your needs. In this book you will find a diverse collection of 45 easy Christmas songs for beginners - for both kids and adult students - that show letters (note names), numbers (fingerings), and lyrics. In this book, you will get: 45 EASY CHRISTMAS SONGS FOR

BEGINNERS - All songs have been arranged especially for beginning students. This means that all complex chords and rhythms have been simplified. Also, all the carols are kept relatively short, only one or two pages long. This will allow you to enter the magic world of piano without frustration. **INTERNATIONAL CHRISTMAS SONGS** - In this book you will find many well-known Christmas carols and holiday songs, as well as some international songs famous in non-English speaking countries. This varied selection of easy sheet music will fuel your enjoyment when practicing the piano. **FROM EASIEST TO HARDEST** - Are you tired of searching for piano pieces with the appropriate difficulty? At the beginning of this book, you will find very simple songs, and then they gradually get more challenging as the book progresses. This will keep you motivated and enable you to progress through the levels. **WITH LETTERS AND NUMBERS** - All songs in this book are presented with letters above the music notes to help you know what keys to press. All songs also include finger placements (numbers) in problem areas. **LARGE PRINT** - Most music notes for beginners are pretty small, so learners struggle to read them without squinting. The proper technique, however, is playing with all fingers and both hands. That's why all pieces in this book are in both treble and bass clef (i.e., both right and left hand). **BONUS: FREE AUDIO FILES TO DOWNLOAD** - Do you want to get an idea of what a piece should sound like? If you are unsure how to play a piece, our audio files will help you get a feel for the melody. Buy this book NOW and enter the splendid world of piano and music! Yann Tiersen - Kerber May 22 2022 (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.
