Room One Nov 02 2022 Ted Hammond learns that in a very small town, there's no such thing as an isolated event. And the solution of one mystery is often the beginning of another. Ted Hammond loves a good mystery, and in the spring of his fifth-grade year, he's working on a big one. How can his school in the little town of Plattsford stay open next year if there are going to be only five students? Out here on the Great Plains in western Nebraska, everyone understands that if you lose the school, you lose the town. But the mystery that has Ted's full attention at the moment is about that face, the face he sees in the upper window of the Andersons' house as he rides past on his paper route. The Andersons moved away two years ago, and their old farmhouse is empty, boarded up tight. At least it's supposed to be. A shrinking school in a dying town. A face in the window of an empty house. At first these facts don't seem to be related. But...

Flood Dec 31 2019 Burke's newest client is a woman named Flood, who has the face of an angel, the body of a high-priced stripper, and the skills of a professional executioner. She wants Burke to find a monster for her—so she can kill him with her bare hands. In this cauterizing thriller, Andrew Vachss's renegade investigator teams up with a lethally gifted avenger to follow a child's murderer through the catacombs of New York, where every alley is blind and the penthouses are as dangerous as the basements. Fearfully knowing, crackling with narrative tension, and written in prose as forceful as a hollow-point slug, Flood is Burke at his deadliest—and Vachss at the peak of his form.

Beyond Zero and One Apr 14 2021 “Andrew Smart deftly shows why it’s time for us to think deeply about thinking machines before they begin thinking deeply about us.” —Douglas Rushkoff, author, *Escaping the Growth Trap*, *Present Shock*, and *Program or Be Programmed* “Provocative and cool.” —Cory

Doctorow “Forget the Turing test—will the supersmart AIs that we hear so much about these days pass the acid test? In this playful, informative, and prescient book, Andrew Smart brings psychedelics into dialogue with neuroscience in order to challenge the whiz-bang computational views of human and machine sentience that dominate the headlines. Giving robots LSD sounds like a joke, but Smart is dead serious in his critique of the hidden and sometimes dangerous biases that underlie both popular and scientific fantasies of digital minds.” —Erik Davis, host of “Expanding Mind” and author, *Techgnosis: Myth, Magic, and Mysticism in the Age of Information* “Philosophy, psychedelics, robots, and the future; consciousness and intelligence, what else do you desire? Here you will see why those machines that reach singularity will be smarter than us and take over the world—and shall need to be conscious...and maybe they can only be conscious if they are human enough. The thesis

of the book, and the path shown us by Smart, leads to a great trip, of imagination and philosophy, of maths and neuroscience.” —Dr. Tristan Bekinschtein, Lecturer, Department of Psychology, University of Cambridge Can we build a robot that trips on acid? This is not a frivolous question, according to neuroscientist Andrew Smart. If we can’t, he argues, we haven’t really created artificial intelligence. In an exposition reminiscent of crossover works such as Gödel, Escher, Bach and Fermat’s Last Theorem, Andrew Smart weaves together Mangarevan binary numbers, the discovery of LSD, Leibniz, computer programming, and much more to connect the vast but largely forgotten world of psychedelic research with the resurgent field of AI and the attempt to build conscious robots. A book that draws on the history of mathematics, philosophy, and digital technology, *Beyond Zero and One* challenges fundamental assumptions underlying artificial intelligence. Is the human brain based on computation? Can

information alone explain human consciousness and intelligence? Smart convincingly makes the case that true intelligence, and artificial intelligence, requires an appreciation of what is beyond the computational.

One Last Gasp Nov 29 2019 "My first thought was, "That house is insane." Not just a house for the insane, but that the building itself was insane, as if the layout of the walls themselves belied a shattered psyche dwelling within the stone...." (page 177) Near the end of World War II, during the Battle of The Bulge, a US Army unit pursues a renegade SS panzer battalion into the secluded Ardennes forest. There, hidden deep in the snow-covered pines, they find an ancient manor house containing an inhuman evil that defies any sense of reality. Confronted with a supernatural evil inside the manor, and surrounded by enemy troops outside, the soldiers will have to unravel the mysteries of the creature called The Geist and face a nightmarish battle for body and soul if they are to survive.

Part war story, part Lovecraftian horror story, One Last Gasp will hold you in its haunting grip from its explosive beginning to its mindbending conclusion.

No Talking Aug 31 2022 In *No Talking*, Andrew Clements portrays a battle of wills between some spunky kids and a creative teacher with the perfect pitch for elementary school life that made *Frindle* an instant classic. It's boys vs. girls when the noisiest, most talkative, and most competitive fifth graders in history challenge one another to see who can go longer without talking. Teachers and school administrators are in an uproar, until an innovative teacher sees how the kids' experiment can provide a terrific and unique lesson in communication.

Things Not Seen Jul 30 2022 Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There

doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

David and Andrew Book 1: One Night in December Oct 21 2021 David Bennett is a widower. He had a wonderful relationship with his wife, but now she's gone. He decides he's done with relationships -- he has no sex drive and no interest in life in general. Andy Barnes is a homeless man who often stands at the end of an exit ramp begging for help. For some unfathomable reason, David is always tempted to pick him up on his way home. One wretched night in December, fate intervenes and David

finds himself bringing the man home and into his life. Much to his surprise, he begins to fall in love with this down and out young man. As love returns, David realizes he does have a reason to go on with life after all. Over the next few years, the two face life as a partnered gay couple with humor and courage. Each year brings with it happiness, tragedy, joy, and sorrow; the stuff life is made of. Along the way, the love the two share for each other helps them to overcome all obstacles and face all challenges.

The Longest Way Home Jun 04 2020 The actor-turned-travel writer meditates on how travel has helped him to overcome life-long fears and confront his resistance to commitment, tracing his soul-searching visits to such world regions as Patagonia, the Amazon, and Kilimanjaro.

First to Kill Mar 02 2020 When a deep-cover

FBI agent disappears along with a ton of Semtex explosive, the government turns to Nathan McBride, former Marine sniper and covert CIA operative, to recover them.

The Jacket May 04 2020 An incident at school forces sixth grader Phil Morelli, a white boy, to become aware of racial discrimination and segregation, and to seriously consider if he himself is prejudiced.

Lost and Found Oct 01 2022 As two clever boys exploit a clerical oversight, each one discovers new perspectives on selfhood, friendship, and honesty. Identical twins Ray and Jay Grayson are moving to a new town. Again. But at least they'll have each other's company at their new school. Except, on the first day of sixth grade, Ray stays home sick, and Jay quickly discovers a major mistake: No one knows about his brother. Ray's not on the attendance lists and doesn't have a locker, or even a student folder. Jay decides that this lost information could be very...useful. And fun. Maybe even a little dangerous.

Things That Are Sep 19 2021 Alicia may be blind, but that doesn't mean she can't see what's happening right in front of her eyes. Like how her parents try to give her freedom. Or how Bobby?now Robert?has returned to figure out their relationship. Or even the invisible man, William, and just how dangerous he is to Alicia, to Robert, to their whole family?or so the police say. Or is Alicia wrong this time? If her normally sharp instincts are wrong, the results could be disastrous. From award-winning author Andrew Clements, here is a novel full of adventure, romance, and mystery, which at its heart is about trusting?even things we know but cannot see.

Lunch Money Aug 19 2021 Meet Greg Kenton, billionaire in the making. Greg Kenton has two obsessions -- making money and his long-standing competition with his annoying neighbor, Maura Shaw. So when Greg discovers that Maura is cutting into his booming Chunky Comics business with her own original

illustrated minibooks, he's ready to declare war. The problem is, Greg has to admit that Maura's books are good, and soon the longtime enemies become unlikely business partners. But their budding partnership is threatened when the principal bans the sale of their comics in school. Suddenly, the two former rivals find themselves united against an adversary tougher than they ever were to each other. Will their enterprise -- and their friendship -- prevail?

The School Story Mar 26 2022 After twelve-year-old Natalie writes a wonderful novel, her friend Zoe helps her devise a scheme to get it accepted at the publishing house where Natalie's mother works as an editor.

The Moreau Quartet: Volume One Mar 14 2021 The Moreau Quartet Volume 1 is an omnibus of S. Andrew Swann's *Forests of the Night* and *Fearful Symmetries*.

The Losers Club Jul 18 2021 The beloved New York Times bestselling author of the modern classic *Frindle* celebrates books and the joy of

reading with a new school story to love! Sixth grader Alec can't put a good book down. So when Principal Vance lays down the law—pay attention in class, or else—Alec takes action. He can't lose all his reading time, so he starts a club. A club he intends to be the only member of. After all, reading isn't a team sport, and no one would want to join something called the Losers Club, right? But as more and more kids find their way to Alec's club—including his ex-friend turned bully and the girl Alec is maybe starting to like—Alec notices something. Real life might be messier than his favorite books, but it's just as interesting. With *The Losers Club*, Andrew Clements brings us a new school story that's a love letter to books and to reading and that reminds us that sometimes the best stories are the ones that happen off the page—our own! landmark exploration of one of the most
consequential and mysterious issues of our time:
the rise of chronic illness and autoimmune
diseases A silent epidemic of chronic illnesses
afflicts tens of millions of Americans: these are
diseases that are poorly understood, frequently

marginalized, and can go undiagnosed and unrecognized altogether. Renowned writer Meghan O'Rourke delivers a revelatory investigation into this elusive category of "invisible" illness that encompasses autoimmune diseases, post-treatment Lyme disease syndrome, and now long COVID, synthesizing the personal and the universal to help all of us through this new frontier. Drawing on her own medical experiences as well as a decade of interviews with doctors, patients, researchers, and public health experts, O'Rourke traces the history of Western definitions of illness, and reveals how inherited ideas of cause, diagnosis, and treatment have led us to ignore a host of hard-to-understand medical conditions, ones that resist easy description or simple cures. And as America faces this health crisis of extraordinary proportions, the populations most likely to be neglected by our institutions include women, the working class, and people of color. Blending lyricism and erudition, candor and empathy,

O'Rourke brings together her deep and disparate talents and roles as critic, journalist, poet, teacher, and patient, synthesizing the personal and universal into one monumental project arguing for a seismic shift in our approach to disease. *The Invisible Kingdom* offers hope for the sick, solace and insight for their loved ones, and a radical new understanding of our bodies and our health. *Down by the River* Oct 09 2020 One beautiful autumn day, Art sets out with his mother and grandfather for a fishing trip. Fishing days are Art's favorite. He loves learning the ropes from Grandpa—the different kinds of flies and tackle and the trout that frequent their favorite river. Art especially appreciates Grandpa's stories. But, this time, hearing the story about Mom's big catch on her first cast ever makes Art feel insecure about his own fishing skills. But, as Art hooks a beautiful brown trout, he finds reassurance in Grandpa's stories and marvels in the sport and a day spent with family, promising

to continue the tradition with his own grandkids generations later. Illustrated with lush imagery by rising star April Chu, *Down by the River* celebrates fishing, family, and fun.

We the Children Nov 21 2021 The first in a six-book series, *We the Children* follows Ben, his tech-savvy friend, Jill, and the class know-it-all, Robert, as they uncover a remarkable history and use it to protect the school. Sixth grader Benjamin Pratt loves history, which makes going to the historic Duncan Oakes School a pretty cool thing. But a wave of commercialization is hitting the area and his beloved school is slated to be torn down to make room for an entertainment park. This would be most kids' dream—except there's more to the developers than meets the eye... and more to the school. Because weeks before the wrecking ball is due to strike, Ben finds an old leather pouch that contains a parchment scroll with a note three students wrote in 1791. The students call themselves the Keepers of the School, and it

turns out they're not the only secret group to have existed at Duncan Oakes.

Big Al Oct 28 2019 A big, ugly fish has trouble making the friends he longs for because of his appearance--until the day his scary appearance saves them all from a fisherman's net.

Frindle May 28 2022 Nicholas Allen is not a troublemaker -- he's just creative. When he decides to liven things up in Mrs. Granger's fifth grade language arts class, he comes up with the greatest plan yet. He invents a new word for a pen -- frindle. It doesn't take long

March: Book One Jun 16 2021 Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his

remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now,

his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

The One Man Jun 28 2022 “As moving as it is gripping. A winner on all fronts.”—Booklist (starred review) “Heart-pounding...This is Gross’s best work yet, with his heart and soul imprinted on every page.”—Kirkus Reviews (starred review) Poland, 1944. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life’s work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl—a renowned physicist—holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a teenager after

the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from “Wild” Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war. Bursting with compelling characters and tense story lines, this historical thriller from New York Times bestseller Andrew Gross is a deeply affecting, unputdownable series of twists and turns through a landscape at times horrifyingly familiar but still completely new and compelling. *Three Pianos* Aug 07 2020 From beloved indie musician Andrew McMahon comes a searingly honest and beautifully written memoir about the challenges and triumphs of his life and career, as seen through the lens of his personal connection to three pianos. Andrew McMahon grew up in sunny Southern California as a child prodigy, learning to play piano and write songs

at a very early age, stunning schoolmates and teachers alike with his gift for performing and his unique ability to emotionally connect with audiences. McMahon would go on to become the lead singer and songwriter for Something Corporate and Jack's Mannequin, and to release his debut solo album, *Andrew McMahon in the Wilderness*, in 2014. But behind this seemingly optimistic and quintessentially American story of big dreams come true lies a backdrop of overwhelming challenges that McMahon has faced—from a childhood defined by his father's struggle with addiction to his very public battle with leukemia in 2005 at the age of twenty-three, as chronicled in the intensely personal documentary *Dear Jack*. Overcoming those odds, McMahon has found solace and hope in the things that matter most, including family, the healing power of music and the one instrument he's always turned to: his piano. *Three Pianos* takes readers on a beautifully rendered and bitter-sweet American journey, one filled with

inspiration, heartbreak, and an unwavering commitment to shedding our past in order to create a better future.

One Mile Under Jul 06 2020 In New York Times bestselling author Andrew Gross's propulsive thriller, set amid the drought-stricken oil country of Colorado's beautiful high plains, Ty Hauck makes his long-awaited return rallying beaten-down farmers and ranchers against a giant energy company in a deadly confrontation involving murder, retaliation, and cover-up. Leading a tour down the rapids outside Aspen, Colorado, whitewater guide Dani Whalen comes upon the dead body of a close friend. Trey Watkins's death is ruled an accident. Finding evidence that seems to back up her suspicions that it wasn't, she takes her case to Wade Dunn, the local police chief and her ex-stepfather, with whom she shares some unresolved history. Wade insists the case is closed, but Rooster, a hot air balloon operator in town, claims he saw something from the air she should know. When

he suddenly dies in a fiery crash, Dani threatens to take her suspicions public, goading Wade into tossing her in jail. When an old friend contacts Ty Hauck and says his daughter is in trouble, he doesn't hesitate to get involved. Together, the two step into a sinister scheme running deep beneath the surface of a quiet, Colorado town that has made a deal with the devil to survive. But in the square off between giant energy companies and beaten-down ranchers and farmers, one resource is even more valuable in this drought-stricken region than oil. They both will kill for it—water. *One Mile Under* is a thrilling rapid run of hair-raising twists and unforeseen turns set against one of the most provocative environmental issues of our time. *Andrew Clements' School Stories* Apr 26 2022 Ten A+ tales from the master of the school story, Andrew Clements, are now available in one collection. Ten of Andrew Clements's most beloved and bestselling school stories are now available as a boxed set, perfect for collecting or

giving as gifts. The included titles are Frindle, The Landry News, The Janitor's Boy, The School Story, A Week in the Woods, Lunch Money, Room One, No Talking, Lost and Found, and Extra Credit.

A Week in the Woods Feb 10 2021 Mark didn't ask to move to New Hampshire. Or to go to a hick school like Hardy Elementary. And he certainly didn't request Mr. Maxwell as his teacher. Mr. Maxwell doesn't like rich kids, or slackers, or know-it-alls. And he's decided that Mark is all of those things. Now the whole school is headed out for a week of camping -- Hardy's famous Week in the Woods. At first it sounds dumb, but then Mark begins to open up to life in the country, and he decides it might be okay to learn something new. It might even be fun. But things go all wrong for Mark. The Week in the Woods is not what anyone planned. Especially not Mr. Maxwell. With his uncanny knack to reach right to the heart of kids, Andrew Clements asks -- and answers -- questions about

first impressions, fairness, loyalty, and courage - - and exactly what it takes to spend a Week in the Woods.

Things Hoped For Apr 02 2020 Seventeen-year-old Gwen is preparing to audition for New York City's top music schools when her grandfather mysteriously disappears, leaving Gwen only a phone message telling her not to worry. But there's nothing more stressful than practicing for her auditions, not knowing where her grandfather is, and being forced to lie about his whereabouts when her insistent great-uncle demands an audience with him. Then Gwen meets Robert, also in town for music auditions, and the two pair up to brave the city without supervision. As auditions approach and her great-uncle becomes more aggressive, Gwen and Robert make a startling discovery. Suddenly Gwen's hopes are turned upside down, and she and Robert are united in ways neither of them could have foretold. . . .

About Average May 16 2021 Can average be

amazing? The bestselling author of *Frindle* shows that with a little kindness, it can. Jordan Johnston is average. Not short, not tall. Not plump, not slim. Not gifted, not flunking out. Even her shoe size is average. She's ordinary for her school, for her town, for even the whole wide world, it seems. Then Marlea Harkins, one of the most popular girls in school—and most definitely the meanest—does something unthinkable, and suddenly nice, average Jordan isn't thinking average thoughts anymore. She wants to get Marlea back! But what's the best way to beat a bully? Could it be with kindness? Called "a genius of gentle, high concept tales set in suburban middle school" by *The New York Times*, bestselling author Andrew Clements presents a compelling story of the greatest achievement possible—self-acceptance.

[The Truth and Beauty](#) Jul 26 2019 Follow Andrew Klavan to a deeper, richer understanding of the words of Jesus. Andrew Klavan believed what he read in the Gospels, but

he often struggled to understand what Jesus really meant. So he began a journey of wrestling with the beautiful and often strange words of Jesus. He learned Greek in order to read the Gospels in their original languages, and he vowed to set aside any preconceptions about what the Scriptures say. But it wasn't until he began exploring how some of history's greatest writers wrestled with the same issues we confront today--political upheaval, rejection of social norms, growing disbelief in God--that he found a new way of understanding what Jesus meant. In *The Truth and Beauty*, Klavan combines a decades-long writing career with a lifetime of reading to discover a fresh understanding of the Gospels. By reading the words of Jesus through the life and work of writers such as William Wordsworth and John Keats, Mary Shelley and Samuel Taylor Coleridge--the English romantics--Klavan discovered a way to encounter Jesus in a deeper and more profound way than ever before. For

readers seeking to find renewed meaning in the words of Jesus--and for those who are striving for belief in a materialistic world--The Truth and Beauty offers an intimate account of one man's struggle to understand the Gospels in all their strangeness, and so find his way to a life that is, as he says, "the most creative, the most joyful, and surely the most true."

One Star Awake Jan 30 2020 The young heroine of One Star Awake survived some kind of trauma but her memory didn't. On the day she came to, she was in the kitchen of Parisian restaurant chopping vegetidibbles like an absolute pro. She knows she is Irish because she pronounces oil as aisle - otherwise she has a defiant lack of curiosity about her own past. One morning she thinks she sees a familiar face, and, after following him across Paris, she begins to solve the emotional puzzle of who she is and where she came from.

Far From the Tree Aug 26 2019 The National Book Award-winning author of The Noonday

Demon explores the consequences of extreme personal differences between parents and children, describing his own experiences as a gay child of straight parents while evaluating the circumstances of people affected by physical, developmental or cultural factors that divide families. 150,000 first printing.

Bringing Ragnarok Dec 23 2021 Six friends go hiking in Iceland and are dragged into the middle of a bizarre plot to end all Worlds. Inner Sol, 2147 An Insurgence Raider soars past a constellation of Habitats - gigantic space stations where billions of people have been exiled from Earth by the Terrestrial Governing Authority. Yarielis has no idea her autism makes her the ideal biological component of a battle-hungry sentient spaceship named Olga. Or that her brother Loucas is the key to triggering a rebellion against TGA oppression. Hunted as criminals, siblings from Puerto Rico are thrust into the center of an epic struggle waged across the colonized solar system. Post-America, 2041

Rival factions vie for control of hundreds of nuclear weapons lurking under the former state of Montana, their silos guarded by a UN-backed private military organization calling itself the Missoula Regiment. Kim, Timur, and Patrick appear in the middle of a firefight, mistaken for new recruits by former U.S. Army sergeant Sandra Chavez, a woman with the dust of way too many deployments on her combat boots. And the friends' appearance in Idaho has immediate consequences certain to plunge the region into a new round of violence. Europe, 1944 Adolf Hitler and his vicious Nazi regime are less than a year from total defeat. A group of military officers, desperate to prevent Germany's complete annihilation, are about to attempt his assassination - and fail. Eryn finds herself face to face with the Fuhrer himself in Rastenburg, Prussia on 20 July - and she knows just enough about Operation Valkyrie to change the course of history. But helping the German Resistance overthrow the Nazis means Eryn is trapped on

the wrong side of the lines in the bitter final year of the Second World War, a rebel officer named Hans Lewinsky by her side - true motivations unknown. The Metaverse On top of everything - there's something much, much worse on the way - for everyone in the Nine Worlds. Turns out, mythology really is garbled memory of the true nature of reality. And all beings, mortal and god alike, must prepare to face their final Twilight... Ragnarok! Excerpts from reader reviews" Enough to keep my overactive, well-read, and picky mind happy." Austinmom" Really got sucked into the world of this book. " rchuask" Not only is the lore treated well but the descriptions of the timelines the six friends are thrust into are also very realistic. " R.Bowman" Andrew Tanner has a wild imagination and fresh ideas." Amazon Customer" I would highly recommend to anyone with an imagination and inquisitive nature." Sherman" I am intrigued to anticipate where this Saga will take me in future books in the series. Well done!" dst

The Map Trap Jan 12 2021 Sixth-grader Alton Barnes loves maps, and when his portfolio of secret maps is stolen, he begins getting notes with orders that he must obey to get the maps back but, with the help of a popular classmate, he just might succeed before his teacher, principal, or someone else learns he has been studying and mapping things about them.

Fire and Water Jun 24 2019 Officer Red and lifeguard Terry might discover a connection if they can see past what's on the surface

Run Feb 22 2022 RUN, the Eisner Award-Winner for Best Graphic Memoir, is one of the most heralded books of the year including being named a: New York Times Top 5 YA Books of the Year · Top 10 Great Graphic Novels for Teens (Young Adult Library Services Association) · Washington Post Best Books of the Year · Variety Best Books of the Year · School Library Journal Best Books of the Year · Kirkus Reviews Best Books of the Year · Amazon Best History Book of 2021 · Top Ten Title of the Year (In the Margins

Book Award) · In the Margins Book Award for Nonfiction winner · Top Ten Graphic Novels for Adults (American Library Association) · Best Books for Young Readers (U of Penn Graduate School of Education) · Books All Young Georgians Should Read (Georgia Center for the Book) First you march, then you run. From the #1 bestselling, award-winning team behind March comes the first book in their new, groundbreaking graphic novel series, Run: Book One. “Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis’s story has always been a complicated narrative of bravery, loss, and redemption, and Run gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life.” –Stacey Abrams “In sharing my story, it is my hope that a new generation will be inspired by Run to actively participate in the democratic process and help

build a more perfect Union here in America.”
-Congressman John Lewis The sequel to the #1 New York Times bestselling graphic novel series March—the continuation of the life story of John Lewis and the struggles seen across the United States after the Selma voting rights campaign. To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as “Bloody Sunday.” All too often, the depiction of history ends with a

great victory. But John Lewis knew that victories are just the beginning. In Run: Book One, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the March trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.

Extra Credit Jan 24 2022 It isn't that Abby Carson can't do her schoolwork. She just doesn't like doing it. And in February a warning letter arrives at her home. Abby will have to repeat sixth grade—unless she meets some specific conditions, including taking on an extra-credit project to find a pen pal in a distant country. Seems simple enough. But when Abby's first letter arrives at a small school in Afghanistan, the village elders agree that any letters going back to America must be written well. In English. And the only qualified student is a boy, Sadeed Bayat. Except in this village, it is not proper for a boy to correspond with a girl. So

Sadeed's younger sister will write the letters. Except she knows hardly any English. So Sadeed must write the letters. For his sister to sign. But what about the villagers who believe that girls should not be anywhere near a school? And what about those who believe that any contact with Americans is . . . unhealthy? Not so simple. But as letters flow back and forth—between the prairies of Illinois and the mountains of central Asia, across cultural and religious divides, through the minefields of different lifestyles and traditions—a small group of children begin to speak and listen to one another. And in just a few short weeks, they make important discoveries about their communities, about their world, and most of all, about themselves.

One Mile Under Sep 27 2019 In this long-awaited return of detective-turned-global-troubleshooter Ty Hauck, he and a courageous young whitewater guide step into a deadly showdown between downtrodden farmers and a clandestine energy giant bent on destroying

their way of life in this topical and unrelenting thriller from New York Times bestselling author Andrew Gross During a routine trip down the rapids outside Aspen, Colorado, whitewater guide Dani Whalen finds a body washed up on the river's edge, and it turns out to be a close friend. Trey Watkins's death is quickly ruled an accident by local law enforcement, but, reading the signs, Dani is convinced that something far more sinister has occurred. She takes her case to Wade Dunn, the local police chief and her ex-stepfather, with whom she shares some unfinished business, and he repeats the company line: Trey's death is not worth an investigation. Undeterred, Dani secretly builds her case, and when Ron, a hot-air-balloon operator who says he saw something up in the air that day to back up her claims, is killed himself in a fiery crash, Dani threatens to take her suspicions public, goading Wade into tossing her in jail. Ty Hauck has been sailing the Caribbean for three months, recuperating physically and spiritually from his

last deadly case. When Dani's father, an old friend, reaches him and says his daughter is in trouble out west, Ty doesn't hesitate to moor his boat and get involved. At first reluctantly, but then full-on, Ty and Dani become ensnared in a sinister scheme running deep beneath the surface of a quiet Colorado town that has made its own deal with the devil to survive. But in the deadly square-off between giant energy concerns and beaten-down ranchers and farmers, there is one resource even more valuable than oil in this drought-stricken region: water. As Ty and Dani discover the true price that all will pay to get it, they're drawn in deeper

as the stakes grow even higher.

The Last Thing I Remember Nov 09 2020 Charlie West just woke up in someone else's nightmare. He's strapped to a chair. He's covered in blood and bruises. He hurts all over. And a strange voice outside the door just ordered his death. The last thing he can remember, he was a normal high-school kid doing normal things--working on his homework, practicing karate, daydreaming of becoming an air force pilot, writing a pretty girl's number on his hand. How long ago was that? Where is he now? Who is he really? And more to the point . . . how is he going to get out of this room alive?
