She Votes Feb 02 2020 *She Votes* is an intersectional story of the women who won suffrage, and those who have continued to raise their voices for equality ever since. From the first female Principal Chief of the Cherokee Nation to the first woman to wear pants on the Senate floor, author Bridget Quinn shines a spotlight on the women who broke down barriers. This book also honors the 100th anniversary of the Nineteenth Amendment with illustrations by 100 women artists. • A colorful, intersectional account of the struggle for women's rights in the United States • Features heart-pounding scenes and keenly observed portraits • Includes dynamic women from Elizabeth Cady Stanton to Audre Lorde *She Votes* is a refreshing and illuminating book for feminists of all kinds. Each artist brings a unique perspective; together, they embody the multiplicity of women in the United States. • From the pen of rockstar author and historian Bridget Quinn, this book tells the story of women's suffrage. • Perfect for feminists of all ages and genders who want to learn more about the 19th amendment and the journey to equal representation • You'll love this book if you love books like *Notorious RBG: The Life and Times of Ruth Bader Ginsburg* by Irin Carmon and Shana Knizhnik; *Rad American Women A-Z: Rebels, Trailblazers, and Visionaries who Shaped Our History . . . and Our Future!* by Kate Schatz and Miriam Klein Stahl; and *Why I March: Images from The Women's March Around the World* by Abrams Books.

End Feminism: Save the World Nov 24 2021 Women are weak. Women are worthless. Women have no power unless politicians or activists grant it to them, unless they can effectively steal man's role, unless they bring others down to hoist themselves up. Those are the lies the modern-day feminist movement has repeated to society, again and again, from dramatically lit stages, supported by beams entitled "Pro-choice Movement," "Free Birth Control," "Abolition of Marriage," "Money before Families," "Gender Sameness," and "Misandry." Our media, politicians, pop culture, and educational system stand atop these stages. What they haven't told us is that women have held power since the beginning of time. Power runs in a woman's blood, her natural, feminine virtues inherently elect to uplift, create, and, through potential to succor the human race, change billions' lives for the best. The question is: will you conform to modern society's destructive expectations and crumple under feminist control or will you inspire a new movement to elevate fundamental womanhood and save the world?

Feminist International Relations Sep 22 2021 Publisher Description

A Feminist Voyage through International Relations Oct 04 2022 J. Ann Tickner is ranked among the most influential scholars of international relations. As one of the founders of the field of feminist international relations, she

is also among the most pioneering. In many ways her academic career has traced the development of the feminist subfield of IR, and it is no overstatement to say that the field today would look much different without her groundbreaking contributions. *A Feminist Voyage through International Relations* provides a compendium of Tickner's work as a feminist IR scholar, from the late 1980s through today. The book addresses the issue of methodology in feminist IR and the continuing challenge from traditional IR scholars that feminists don't perform legitimate scientific research. Tickner introduces and contextualizes her previous writings with new essays that trace her intellectual development as a feminist scholar. The chapters consider the introduction of women and gender into the conversation about IR, as well as feminist methodological interventions and conversations with the IR mainstream. The final section of the book includes some of Tickner's later writings on topics including race, imperialism, and religion. She ends with thoughts on the present currents of feminist IR and its place within the wider discipline. Given the way that her career has mirrored the evolution of the subfield, Tickner's book provides a methodological and epistemological story of feminist interventions in IR and a thoughtful reflection on where the field is headed in the future.

The Voyage of Freydis (The Vinland Viking Saga, Book 1) Sep 03 2022 The Vinland Viking Saga: Book 1 History set her fate in stone...

Talking Back Jul 09 2020 bell hooks writes about the meaning of feminist consciousness in daily life and about self-recovery, about overcoming white and male supremacy, and about intimate relationships, exploring the point where the public and private meet.

A Voyage to Arcturus (?????) Jan 27 2022 Scottish novelist David Lindsay (1876-1945) was born to a middle-class Calvinist family, forced by poverty to work as an insurance clerk instead of attending university, and at the age of forty took up the cause and worked his way to Corporal of the Royal Army Pay Corps in World War I. After the war he moved to Cornwall with his wife and began writing full-time, publishing his first novel, "A Voyage to Arcturus," in 1920. Although the science fiction novel initially sold less than six hundred copies, it has come to be known as a major "underground" novel of the 20th century, and heavily influenced C.S. Lewis's "Out of the Silent Planet." The story is set at Tormance, an imaginary planet orbiting Arcturus, where an adventurous Scot named Muskall has travelled and where he encounters myriad characters and lands that reflect Lindsay's critique of various philosophical systems.

The Argonauts Oct 12 2020 An intrepid voyage out to the frontiers of the latest thinking about love, language, and family Maggie Nelson's *The Argonauts* is a genre-bending memoir, a work of "autotheory" offering fresh, fierce, and timely thinking about desire, identity, and the limitations and possibilities of love and language. It binds an account of Nelson's relationship with her partner and a journey to and through a pregnancy to a rigorous exploration of sexuality, gender, and "family." An insistence on radical individual freedom and the value of caretaking becomes the rallying cry for this thoughtful, unabashed, uncompromising book.

Voyage of the Sable Venus Oct 31 2019 Robin Coste Lewis's electrifying collection is a triptych that begins and ends with lyric poems meditating on the roles desire and race play in the construction of the self. In the center of the collection is the title poem, "Voyage of the Sable Venus," an amazing narrative made up entirely of titles of artworks from ancient times to the present-titles that feature or in some way comment on the black female figure in Western art. Bracketed by Lewis's own autobiographical poems, "Voyage" is a tender and shocking meditation on the fragmentary mysteries of stereotype, juxtaposing our names for things with what we actually see and know. A new understanding of biography and the self, this collection questions just where, historically, do ideas about the black female figure truly begin-five hundred years ago, five thousand, or even longer? And what role did art play in this ancient, often heinous story? Here we meet a poet who adores her culture and the beauty to be found within it. Yet she is also a cultural critic alert to the nuances of race and desire-how they define us all, including her own sometimes painful history. Lewis's book is a thrilling aesthetic anthem to the complexity of race-a full embrace of its pleasure and horror, in equal parts.

Feminist International Relations Dec 14 2020

Gyn/Ecology Feb 13 2021 This revised edition includes a New Intergalactic Introduction by the Author. Mary Daly's New Intergalactic Introduction explores her process as a Crafty Pirate on the Journey of Writing *Gyn/Ecology* and reveals the autobiographical context of this "Thunderbolt of Rage" that she first hurled against the patriarchs in 1979 and no hurls again in the Re-Surging Movement of Radical Feminism in the Be-Dazzling Nineties.

Outercourse Aug 10 2020

Dare the Wind Sep 30 2019 Ellen Prentiss's papa said she was born with saltwater in her veins, so he gave her sailing lessons and taught her how to navigate. As soon as she met a man who loved sailing like she did, she married him. When her husband was given command of a clipper ship custom-made to travel quickly, she knew that they would need every bit of its speed for their maiden voyage: out of New York City, down around the tip of Cape Horn,

and into San Francisco, where the Gold Rush was well under way. In a time when few women even accompanied their husbands onboard, Ellen Prentiss navigated their ship to set the world record for speed along that route. A Margaret Ferguson Book

Feminism and International Relations Jun 19 2021 This important introduction to feminist International Relations discusses the history, present and future of the field. With a unique format, it examines issues including global governance, the United Nations, war, peace, security, science, beauty and human rights.

Fountain of Age Oct 24 2021 The author of the ground-breaking work, *The Feminine Mystique*, tackles the meaning of age and aging in contemporary society, for both men and women. 250,000 first printing. BOMC Feat Alt. QPB Split Main. First serial, Time. Tour.

Enjoy Me Among My Ruins Feb 25 2022 Combining feminist theories, X-Files fandom, and memoir, *Enjoy Me among My Ruins* draws together a kaleidoscopic archive of Juniper Fitzgerald's experiences as a queer sex-working mother. Plumbing the major events that shaped her life, and interspersing her childhood letters written to cult icon Gillian Anderson, this experimental manifesto contends with dominant narratives placed upon marginalized people, ultimately rejecting a capitalist system that demands our purity and submission over our survival.

Voyage of the Basilisk Apr 17 2021 The thrilling adventure continues in the third volume of memoirs as Lady Trent undertakes an around-the-world sea voyage to discover new species of dragons

Feminist Baby Finds Her Voice! May 07 2020 *Feminist Baby* is back in the follow-up to the New York Times bestseller by two-time Emmy Award-winning author Loryn Brantz. *Feminist Baby* is learning to talk She says what she thinks and it totally rocks! *Feminist Babies stand up tall!* "Equal rights and toys for all!" *Feminist Baby* is ready for more adventures--and this time she has friends! Still strong and independent, readers will love *Feminist Baby* as she continues to teach about feminism in a fresh, accessible way.

New Feminist Essays on Virginia Woolf Jul 29 2019

Turning on the Girls May 19 2021 In a futuristic world run by women, twenty-two-year-old Lisa is given the task of updating women's sexual fantasies, while Harmony, an underground men's movement, is plotting a violent revolution to put women back in their place. By the author of *Moghul Buffet*. Reprint.

Bananas, Beaches and Bases May 31 2022 In this brand new radical analysis of globalization, Cynthia Enloe examines recent events—Bangladeshi garment factory deaths, domestic workers in the Persian Gulf, Chinese global tourists, and the UN gender politics of guns—to reveal the crucial role of women in international politics today. With all new and updated chapters, Enloe describes how many women's seemingly personal strategies—in their marriages, in their housework, in their coping with ideals of beauty—are, in reality, the stuff of global politics. Enloe offers a feminist gender analysis of the global politics of both masculinities and femininities, dismantles an apparently overwhelming world system, and reveals that system to be much more fragile and open to change than we think.

The Big Push Nov 12 2020 For over a century and in scores of countries, patriarchal presumptions and practices have been challenged by women and their male allies. "Sexual harassment" has entered common parlance; police departments are equipped with rape kits; more than half of the national legislators in Bolivia and Rwanda are women; and a woman candidate won the plurality of the popular votes in the 2016 United States presidential election. But have we really reached equality and overthrown a patriarchal point of view? *The Big Push* exposes how patriarchal ideas and relationships continue to be modernized to this day. Through contemporary cases and reports, renowned political scientist Cynthia Enloe exposes the workings of everyday patriarchy—in how Syrian women civil society activists have been excluded from international peace negotiations; how sexual harassment became institutionally accepted within major news organizations; or in how the UN Secretary General's post has remained a masculine domain. Enloe then lays out strategies and skills for challenging patriarchal attitudes and operations. Encouraging self-reflection, she guides us in the discomfiting curiosity of reviewing our own personal complicity in sustaining patriarchy in order to withdraw our own support for it. Timely and globally conscious, *The Big Push* is a call for feminist self-reflection and strategic action with a belief that exposure complements resistance.

White Feminism Jan 03 2020 Written "with passion and insight about the knotted history of racism within women's movements and feminist culture" (Rebecca Traister, New York Times bestselling author), this whip-smart, timely, and impassioned call for change is perfect for fans of *Good and Mad* and *Hood Feminism*. Addressing today's conversation about race, empowerment, and inclusion in America, Koa Beck, writer and former editor-in-chief of *Jezebel*, boldly examines the history of feminism, from the true mission of the suffragists to the rise of corporate feminism with clear-eyed scrutiny and meticulous detail. She also examines overlooked communities—including Native American, Muslim, transgender, and more—and their ongoing struggles for social change. With "intellectually smart and emotionally intelligent" (Patrisse Cullors, New York Times bestselling author and Black Lives Matter cofounder) writing, Beck meticulously documents how elitism and racial prejudice have driven the narrative of feminist discourse. Blending pop culture, primary historical research, and first-hand storytelling, she shows us how

we have shut women out of the movement, and what we can do to correct our course for a new generation. Combining a scholar's understanding with hard data and razor-sharp cultural commentary, *White Feminism* "is a rousing blueprint for a more inclusive 'new era of feminism'" (The Boston Globe).

Burning Questions Apr 05 2020 A provocative coming-of-age chronicle of the Women's Liberation Movement, as seen through the eyes of a young woman who flees midwestern suburban life to find her true self in 1950s New York City. Eighteen-year-old Zane IndiAnna feels trapped by life in her small midwestern town. So she sets out for New York, landing in Greenwich Village during the revolutionary days of Allen Ginsburg and Jack Kerouac. Zane's story of rebellious political awakening plays out over the 1950s, '60s, and '70s, mirroring the rise of the Women's Liberation Movement and bringing the evolution of American feminism to vivid life. Stirring and unforgettable, *Burning Questions* is a timeless story filled with humor, passion, and revolutionary spirit.

Revisiting Gendered States Mar 29 2022 Two decades ago, V. Spike Peterson published a book titled *Gendered States* in which she asked, what difference does gender make in international relations and the construction of the sovereign state system? This book aims to connect the earlier debates of Peterson's book with the gendered state today, one that exists within a globalized and increasingly securitized world. Including scholars from International Relations, Postcolonial Studies, and Development Studies, this volume examines the various ways in which gender explains the construction and interplay of modern states in international relations and global politics (4e de couverture).

Gender and International Relations Dec 02 2019 In the book, Jill Steans illustrates how gender is central to nationalisms and political identity, the state, citizenship and conceptions of political community, security, and global political economy and development. Drawing on feminist scholarship from across the social sciences, she demonstrates the uses of feminism as critique. She also introduces readers to contemporary theoretical debates in international relations using concrete concerns and easily understandable issues to ground the discussion.

The Voyage in Dec 26 2021 The first book to study systematically & from a comparative perspective the female novel of development.

No Turning Back Jul 21 2021 Repeatedly declared dead by the media, the women's movement has never been as vibrant as it is today. Indeed as Stanford professor and award-winning author Estelle B. Freedman argues in her compelling new book, feminism has reached a critical momentum from which there is no turning back. A truly global movement, as vital and dynamic in the developing world as it is in the West, feminism has helped women achieve authority in politics, sports, and business, and has mobilized public concern for once-taboo issues like rape, domestic violence, and breast cancer. And yet much work remains before women attain real equality. In this fascinating book, Freedman examines the historical forces that have fueled the feminist movement over the past two hundred years—and explores how women today are looking to feminism for new approaches to issues of work, family, sexuality, and creativity. Freedman begins with an incisive analysis of what feminism means and why it took root in western Europe and the United States at the end of the eighteenth century. The rationalist, humanistic philosophy of the Enlightenment, which ignited the American Revolution, also sparked feminist politics, inspiring such pioneers as Mary Wollstonecraft and Susan B. Anthony. Race has always been as important as gender in defining feminism, and Freedman traces the intricate ties between women's rights and abolitionism in the United States in the years before the Civil War and the long tradition of radical women of color, stretching back to the impassioned rhetoric of Sojourner Truth. As industrialism and democratic politics spread after World War II, feminist politics gained momentum and sophistication throughout the world. Their impact began to be felt in every aspect of society—from the workplace to the chambers of government to relations between the sexes. Because of feminism, Freedman points out, the line between the personal and the political has blurred, or disappeared, and issues once considered "merely" private—abortion, sexual violence, homosexuality, reproductive health, beauty and body image—have entered the public arena as subjects of fierce, ongoing debate. Freedman combines a scholar's meticulous research with a social critic's keen eye. Sweeping in scope, searching in its analysis, global in its perspective, *No Turning Back* will stand as a defining text in one of the most important social movements of all time.

The Word for Woman Is Wilderness Jul 01 2022 THE OFFICIAL NORTH AMERICAN EDITION! "Beguiling, audacious... rises to its own challenges in engaging intellectually as well as wholeheartedly with its questions about gender, genre and the concept of wilderness. The novel displays wide reading, clever writing and amusing dialogue." —The Guardian This is a new kind of nature writing — one that crosses fiction with science writing and puts gender politics at the center of the landscape. Erin, a 19-year-old girl from middle England, is travelling to Alaska on a journey that takes her through Iceland, Greenland, and across Canada. She is making a documentary about how men are allowed to express this kind of individualism and personal freedom more than women are, based on masculinist ideas of survivalism and the shunning of society: the "Mountain Man." She plans to culminate her journey with an experiment: living in a cabin in the Alaskan wilderness, à la Thoreau, to explore it from a feminist perspective.

The book is a fictional time capsule curated by Erin, comprising of personal narrative, fact, anecdote, images and maps, on subjects as diverse as The Golden Records, Voyager 1, the moon landings, the appropriation of Native land and culture, Rachel Carson, The Order of The Dolphin, The Doomsday Clock, Ted Kaczynski, Valentina Tereshkova, Jack London, Thoreau, Darwin, Nuclear war, The Letters of Last Resort and the pill, amongst many other topics. "Refreshingly outward-looking in a literary culture that turns ever inward to the self, although it still has profound moments of introspection. Uplifting, with a thirsty curiosity, the writing is playful and exuberant. Riffing on feminist ideas but unlimited in scope, Andrews focuses our attention on our beautiful, doomed planet, and the astonishing things we have yet to discover." —Ruth McKee, *The Irish Times*

The Badass Feminist Coloring Book Sep 10 2020 *The Badass Feminist Coloring Book: Teen Edition* is the best coloring celebration of feminism you've ever seen! Featuring portraits of 40 feminists along with inspiring quotes and original essays on feminism that are way more interesting than the feminism you learn in school - this book is a must for every budding feminist.

A Feminist Voyage Through International Relations Nov 05 2022 J. Ann Tickner is ranked among the most influential scholars of international relations. As one of the founders of the field of feminist international relations, she is also among the most pioneering. 'A Feminist Voyage through International Relations' provides a compendium of Tickner's work as a feminist IR scholar, from the late 1980s through to present day.

Feminist City Jan 15 2021 *Feminist City* is an ongoing experiment in living differently, living better, and living more justly in an urban world. We live in the city of men. Our public spaces are not designed for female bodies. There is little consideration for women as mothers, workers or carers. The urban streets often are a place of threats rather than community. Gentrification has made the everyday lives of women even more difficult. What would a metropolis for working women look like? A city of friendships beyond Sex and the City. A transit system that accommodates mothers with strollers on the school run. A public space with enough toilets. A place where women can walk without harassment. In *Feminist City*, through history, personal experience and popular culture Leslie Kern exposes what is hidden in plain sight: the social inequalities built into our cities, homes, and neighborhoods. Kern offers an alternative vision of the feminist city. Taking on fear, motherhood, friendship, activism, and the joys and perils of being alone, Kern maps the city from new vantage points, laying out an intersectional feminist approach to urban histories and proposes that the city is perhaps also our best hope for shaping a new urban future. It is time to dismantle what we take for granted about cities and to ask how we can build more just, sustainable, and women-friendly cities together.

Seriously! Jun 07 2020 In *Seriously!*, Cynthia Enloe, author of the groundbreaking analysis of globalization, *Bananas, Beaches, and Bases*, addresses two deeply gendered and contested questions: Who is taken seriously? And who gets to bestow the label "serious" on others? With a strategy of taking both women and gender dynamics seriously, Cynthia Enloe investigates the Dominique Strauss-Kahn affair and the banking crash of 2008, the subsequent recession, as well as UN peacekeeping and the ongoing Egyptian revolution. Each case study highlights the gritty experiences of women in diverse circumstances—in banks, on the job market, in war zones, and in revolutions. The results of taking women seriously are fresh insights into what fuels the cultures of hyper-risk taking, of sexual harassment, and the denial of women's post-war security.

An Introduction to Feminist Philosophy Aug 22 2021 This is the first book to offer a systematic account of feminist philosophy as a distinctive field of philosophy. The book introduces key issues and debates in feminist philosophy including: the nature of sex, gender, and the body; the relation between gender, sexuality, and sexual difference; whether there is anything that all women have in common; and the nature of birth and its centrality to human existence. *An Introduction to Feminist Philosophy* shows how feminist thinking on these and related topics has developed since the 1960s. The book also explains how feminist philosophy relates to the many forms of feminist politics. The book provides clear, succinct and readable accounts of key feminist thinkers including de Beauvoir, Butler, Gilligan, Irigaray, and MacKinnon. The book also introduces other thinkers who have influenced feminist philosophy including Arendt, Foucault, Freud, and Lacan. Accessible in approach, this book is ideal for students and researchers interested in feminist philosophy, feminist theory, women's studies, and political theory. It will also appeal to the general reader.

Transnational Feminism in Film and Media Aug 29 2019 This collection of interdisciplinary essays examines current cinematic and media landscapes from the perspective of transnational feminist practices and methodologies. Focusing on film, media art, and video essays, the contributors chart innovative strategies for exploring contemporary visual cultures.

[You Just Don't Understand](#) Apr 29 2022

Hegel's Philosophy and Feminist Thought Mar 17 2021 Although Hegel and feminism seem an unlikely couple, Hegelian philosophy played a prominent part in the thinking of groundbreaking feminist philosophers from Simone de Beauvoir to Luce Irigaray. This book offers a new generation of feminist readings of Hegel from leading scholars in

the both fields. Through close readings and innovative arguments, this book makes a significant contribution to the debate on gender and provides insight into philosophical method.

Modernism, Feminism and the Culture of Boredom Mar 05 2020 Illustrates how boredom formed an important category of critique against the constraints of women's lives in British modernist literature.

The Sublime and Spirited Voyage of Original Sin Jun 27 2019 The Gulf of Mexico, 1702: When pirates of the square-rigger Original Sin steal ashore to abduct a doctor to tend to their wounded, they end up settling for the doctor's attractive fiancée Celia Pierce, the town seamstress. Together with Gayle Malvern, daughter of wounded pirate captain Madman Malvern, Celia becomes a reluctant participant in an unexpectedly thrilling journey through the Caribbean. For Gayle, Celia's presence is at first a welcome and shapely distraction, but as her attraction to the seamstress deepens, she realizes that Celia comes to mean more to her than is almost certainly prudent. As Celia and Gayle navigate the perilous territories of gypsies, prostitutes, mercenaries, and slave-traders, they forge a partnership born of necessity that Gayle soon hopes will veer away from insurmountable danger and instead detour directly to her bed.

Gender in International Relations Aug 02 2022 Engendered insecurities : feminist perspectives on international relations - Man, the state, and war : gendered perspectives on National security - Three models of man : gendered perspectives on global economic security - Man over nature : gendered perspectives on ecological security - Toward a nongendered perspective on global security.
