Battle of Brunanburh Jun 04 2020

[Encountering the Goddess](#) Apr 02 2020 Coburn provides a fresh and careful translation from the Sanskrit of this fifteen-hundred-year-old text. Drawing on field work and literary evidence, he illuminates the process by which the Devi-Mahatmya has attracted a vast number of commentaries and has become the best known Goddess-text in modern India, deeply embedded in the ritual of Goddess worship (especially in Tantra). Coburn answers the following questions among others: Is this document "scripture?" How is it that this text mediates the presence of the Goddess? What can we make of contemporary emphasis on oral recitation of the text rather than study of its written form? One comes away from Coburn's work with a sense of the historical integrity or wholeness of an extremely important religious development centered on a "text." The interaction between the text and later philosophical and religious developments such as those found in Advaita Vedanta and Tantra is quite illuminating. Relevant here are the issues of the writtenness and orality/aurality of 'scripture,' and the various ways by which a deposit of holy words such as the Devi-Mahatmya becomes effective, powerful, and inspirational in the lives of those who hold it sacred.

Chhatrapati Shivaji May 04 2020 Not only in Indian history but in the international history also Shivaji's personality is incomparable and extraordinary. His life was an ideal combination of many virtues like understanding, dutifulness, good character, communal harmony etc. A complete assessment of Shivaji's character and works can be a topic for research. Shivaji was the son of a simple jagirdar. He became the founder of the Maratha empire on his own strength. He added a new chapter in history and started a new age. Light is being thrown here on his virtues in brief.

Mother of My Heart, Daughter of My Dreams Aug 19 2021 This text chronicles the rise and subsequent fortunes of goddess worship (Saktism) in the region of Bengal from the middle of the 18th century to the present. McDermott places the advent of the Sakta lyric in its historical context.

Raj Kahini Jun 28 2022 An unforgettable historical novella that leads you to the flowing sand dunes of Rajasthan, the clash of swords, to the courtyard of kings and queens. The book captures the spirit of a heroic past that never fails to move readers even today.

Hindu Goddesses Oct 28 2019 Hindu Goddesses is a valuable sourcebook and reference work for students and scholars of Hindu goddesses and of Hinduism in general. Each goddess is dealt with as an independent deity with a coherent mythology, theology and, in some cases, cult of her own. Within the complex, diverse, and rich goddess traditions of Hinduism, one can find suggestions of nearly every important theme in the Hindu religion. In many ways, this book is as much a study of the Hindu tradition itself as it is a study of one aspect of that tradition. No other living religious tradition has displayed such an ancient, continuous, and diverse history of goddess worship.

The Cultures of History in Early Modern India Nov 21 2021 This book examines the nature and function of history-writing in India by focusing on early modern traditions of historiography with particular reference to Bengal. Situating distinctive cultures of history vis-à-vis their relevant political and cultural contexts, it highlights the richness, variety and politically sensitive character of a range of oral and textual narratives. Kumkum Chatterjee also makes a significant contribution to the intellectual and cultural history of early modern India by exploring interactions between regional, vernacular cultures on the one hand and the Islamicate, Persianized culture of the Mughal Empire on the other. Strongly grounded in primary sources, The Cultures of History in Early Modern India re-examines the concepts of authority, evidence and method in early modern historiography. It also discusses the debates surrounding the culture of history writing in India.

What Is Worth Teaching? Mar 14 2021 This collection of essays is the third revised edition of Dr Krishna Kumar's UGC national lectures. It updates several issues in the context of recent concerns such as globalisation and external funding for education. Some of the issues discussed are the textbook, culture, learning by rote, failure of village primary schools, the merits of Gandhian ideas of education, and the interpretation of history.

Khwabnama Dec 11 2020 Bengal in the 1940s. Having overcome the famine and the revolt of the sharecroppers, Bengal's peasants are uniting. Work is scarce and wages are low. There is barely any food to be had. The proposal for the formation of Pakistan, the elections of 1946, and communal riots are rewriting the contours of history furiously. Amidst all this, in an unnamed village, a familiar corporeal spirit plunges into knee-deep mud. This is Tamiz's father, the man in possession of Khwabnama. At first glance, Khwabnama is the tale of a harmless young farmhand who becomes a sharecropper and dreams of a future that has everything to do with the land that he cultivates and the soil that he tills. The fabric of his dreams, though, have as much to do with the history of the land as its future, and as much to do with memories as with hope. In this magnum opus, which documents the Tebhaga movement, wherein peasants demanded two-thirds of the harvest they produced on the land owned by zamindars, Akhtaruzzaman Elias has created an extraordinary tale of magical realism, blending memory with reality, legend with history and the struggle of marginalized people with the stories of their ancestors.

Bombay 3 Nov 29 2019 Mumbai is an ever-evolving city, bustling and brimming, never sleeping for a wink. But the past four decades brought upheavals of great magnitude that shaped the city as we know today. Marred by communal riots, gang wars and terrorism, the spirit of Mumbai has emerged indomitable every single time. Born and raised in the lanes of Bombay 3, this is the story of Jagan Kumar who dreams of being a television journalist and changing the world. But once he achieves this, he realises that television journalism has lost its path, now afflicted with sensationalism, corruption and bias. As a crime reporter, he comes across various unscrupulous means that law enforcement agencies adopt to combat organised crime syndicates. He is shocked to witness interdepartmental rivalry that often jeopardises public security. Disenchanted, in conflict with his conscience and confused about his calling, he is about to quit when something happens that changes the course of his life. Bombay 3 begins from the bylanes of old Bombay of the seventies and then takes you to Mosul in ISIS's Iraq of 2014 and finally to the streets of Bangkok where the underworld of Mumbai has spread its tentacles. A fast-paced thriller, it answers certain questions about life in Mumbai and raises a few new ones.

Building New India Dec 31 2019 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Clouds and Waves May 28 2022 An endearing poem of a child who refuses tempting invitations, instead staying with her mother at playtime, blissful in her company. Words woven with great tenderness by the greatest poet of all times, a gentle verse for all the little ones.

City Milk Supply Oct 21 2021

Melania and Me Jun 16 2021 #1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

Conceptions of State and Kingship in Southeast Asia Feb 10 2021 A study of "the ideological foundations" of the monarchical governments of Southeast Asia, specifically in Hindu-Buddhist cultures, this book examines political thought on the nature of rule.

Akbar and His India Aug 26 2019 Contributed articles on history of India during the time of Akbar, Emperor of Hindustan, 1542-1605.

Architecture of Mughal India May 16 2021 Traces the development and spread of architecture under the Mughal emperors who ruled the Indian subcontinent from the early-16th to the mid-19th centuries. The book considers the entire scope of architecture built under the auspices of the imperial Mughals and their subjects.

The Constitution of India Mar 02 2020 The Constitution of India is the supreme law of land. The document lays down extensively the framework demarcating fundamental political code, structure, procedures, powers, and duties of government institutions and sets out fundamental rights, directive principles, and the duties of citizens. It is the longest written constitution of any country on earth. B. R. Ambedkar, chairman of the drafting committee, is widely considered to be its chief architect. Constitution is a living document, an instrument which makes the government system work. Its flexibility lies in its amendments. In this edition, the text of the Constitution of India has been brought up-to-date by incorporating therein all amendments made by Parliament up to and including the Constitution (One Hundredth Amendment) Act, 2015 which contains details of acquired and transferred territories between the Governments of India and Bangladesh and the same has been included in Annexure. Good Readable Print!

Print and Publishing in Colonial Bengal Nov 02 2022 This book reconstructs the history of print and publishing in colonial Bengal by tracing the unexpected journey of Bharat Chandra's Bidyasundar, the first book published by a Bengali entrepreneur. The introduction of printing technology by the British in Bengal expanded the scope of publication and consumption of books significantly. This book looks at the developments and the parallel publishing initiatives of that time. It examines local enterprises in colonial Bengal engaged in producing and selling books and explores the ways in which they charted out a cultural space in the 19th century. The work sheds fresh light on book production and the culture of print, and narrates the processes behind the printing of books to understand the multi-layered literary practices they sustained. A valuable addition to the history of publishing in India, this book will be useful to scholars and researchers of South Asian and Indian history, Bengali literature, media and cultural studies, and print and publishing studies. It will also appeal to those interested in the history of Bengal and the Bengali diaspora.

Discover Jainism Jan 12 2021 A simple and pictorial guide to the ancient Indian religion, Jainism.

The Restless Quest Jun 24 2019 Covering the 70-year period leading up to the Anglo-Nepal war, this historical novel tells how the hill men of Nepal and the British in India originally developed a great respect for each other.

Ape in a Cape Sep 27 2019 An assortment of animals introduce the letters of the alphabet.

Sardar : The Sovereign Saint Feb 22 2022 Without wasting time on any further questions, Shankar dialled the telephone number of the Prime Minister's residence. Unfortunately, the Prime Minister had left for the radio station. Shankar rushed back to give the message to Sardar. Sardar impatiently said : "Shankar, leave immediately for the Radio Station. Go quickly. Try to hold back the Prime Minister's speech. By no means should the matter related to plebiscite and UNO be relayed. If this happens, the whole country will be put into a great trouble. If need be, cancel this programme. Please leave immediately." Having waded through the traffic on the way, Shankar reached finally to the radio station but he was late. The Prime Minister was reading his speech on the microphone. Shankar heard him referring to the plebiscite and UNO. The whole world was listening to it. Shankar banged his head. —Extract from this novel A biographical novel on the Iron Man of India Sardar Patel which brings to light various known-unknown facets of his inspiring life. His contribution and efforts for the unification of princely states laid the foundation for a sovereign Bharat. A must read book for every true Indian.

The Origins of Himalayan Studies Oct 09 2020 Brian Hodgson lived in Nepal from 1820 to 1843 during which time he wrote and published extensively on Nepalese culture, religion, natural history, architecture, ethnography and linguistics. Contributors from leading historians of Nepal and South Asia and from specialists in Buddhist studies, art history, linguistics, ornithology and ethnography, critically examine Hodgson's life and achievement within the context of his contribution to scholarship. Many of the drawings photographed for this book have not previously been published.

Collective Action and Community Sep 19 2021

Notes on the Malay Archipelago and Malacca Aug 07 2020

Religious Process Jul 06 2020 This book traces the evolution of a process of interaction between Brahmanism and the indigenous social groups of Bengal during the early medieval period. Following the logic of cultural negotiation implicit in the Puranas composed composed in Bengal, the book unravels a pattern that governed this relationship of reciprocity, contestation and domination. Two significant methodological issues have been addressed—the manner in which didactic Sanskrit texts can be read for the reconstruction of early Indian history and the application of anthropological models, such as great and little traditions, to such texts for a more comprehensive understanding of the Indian culture continuum. The book focuses on Bengal, but cultural negotiations refers to a fundamental civilizational process common to most regions in India, and as such has wider relevance.

India's Politics Nov 09 2020 An insider's account of how politics is practised in India, and to what effect In India's Politics: A View from the Backbench, Bimal Jalan, ex-Governor of the Reserve Bank of India and best-selling author of The Future of India, turns his gaze to the complex mechanics of the political system in the country. As a member of Parliament, Bimal Jalan has watched the workings of India's politics closely. While there is much to be proud of in India's achievements as a vibrant democracy, there are some areas of concern which require attention. In particular, Jalan finds that the emergence of multi-party coalitions as a regular form of government—and their relatively short life expectancy at birth—has brought about a sea change in political dynamics. The search for power and the compulsions of coalition politics are increasingly the primary drivers of political behaviour in India today. This development, combined with the need to cope with global terrorism, lawlessness and economic disparities during a period of high growth, calls for some urgent reforms in the working of India's vital political institutions. Jalan puts forward a ten-point programme to make India's parliamentary democracy more stable, transparent and accountable. According to

*him, constant vigilance is indeed the price of liberty and if some of the emerging trends are not reversed, India's democracy 'by the people' could become more and more oligarchic—'of the few and for the few'. India's Politics is one of the most important studies of India's political system to have been written. This paperback edition features a new Preface by the author on emerging political trends.*
