Lincoln on the Verge Jun 04 2020 WINNER OF THE LINCOLN FORUM BOOK PRIZE “A Lincoln classic...superb.” —The Washington Post “A book for our time.”—Doris Kearns Goodwin Lincoln on the Verge tells the dramatic story of America’s greatest president discovering his own strength to save the Republic. As a divided nation plunges into the deepest crisis in its history, Abraham Lincoln boards a train for Washington and his inauguration—an inauguration Southerners have vowed to prevent. Lincoln on the Verge charts these pivotal thirteen days of travel, as Lincoln discovers his power, speaks directly to the public, and sees his country up close. Drawing on new research, this riveting account reveals the president-elect as a work in progress, showing him on the verge of greatness, as he foils an assassination attempt, forges an unbreakable bond with the American people, and overcomes formidable obstacles in order to take his oath of office.

The Heartfulness Way Mar 26 2022 “A must-read for anyone interested in incorporating meditation into their lifestyle.” —Sanjay Gupta, MD, chief medical correspondent for CNN Heartfulness is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions. In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old Heartfulness tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person’s faith. Our modern, fast-paced world can be an overwhelming place. Every day, we’re bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji’s own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning “Natural Path”—Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, *The Heartfulness Way* goes further, providing a pragmatic course to experience those states for oneself, which, per the book’s guiding principle, is “greater than knowledge.” Heartfulness meditation consists of four elements—relaxation, meditation, cleaning, and prayer—and illuminates the ancient, defining feature of yogic transmission (or pranahuti), the utilization of divine energy for spiritual growth and transformation. Using the method, detailed practices, tips, and practical philosophy offered in this book, you’ll reach new levels of attainment and learn to live a life more deeply connected to the values of the Heartfulness way—with acceptance, humility, compassion, empathy, and love.

With more than forty stories and poems along with many unpublished works, autobiographical writings and illustrations by Ray, this volume offers a unique glimpse into Ray's creative genius.

Education and Inequality in India Feb 22 2022 "This book focuses on primary education in India and interrogates what schooling means and does to children from weaker sections of Indian society and which values underpin the school system. It examines whether the concept of "education for all" is just a mechanically conceived policy target to chasing enrolment and attendance or whether it a larger social goal and a deeper political statement about the need for attacking entrenched social inequalities, and above all an affirmation of the idea that schooling has a liberating potential. Drawing on original data collected in the two states of Andhra Pradesh and West Bengal, the authors first present the multiple ways in which social class impinges on the educational system, educational processes and educational outcomes. In the second part of the book, issues around autonomy and accountability are explored via an analysis of the position of teachers within the educational hierarchy, and by looking at the various possibilities of making teachers accountable. The last part centres on the learning process, with a particular focus on the classroom. The conclusion includes recommendations that are related to the necessity for a larger debate and normative framework, which includes private schools as possible partners in the pursuing of a public good for which a public entity should take some responsibility, and in conjunction to that, the necessity to move from government action and responsibilities to a broader concept of public action"-- Provided by publisher.

Making Imperial Mentalities Nov 21 2021 This book discusses the way in which those born into the British empire were persuaded to accept it, often with enthusiasm. The study compares the perceptions of people at 'home', in the

dominions and in the colonies. Across the diversity of imperial territories it explores themes such as the diverse nature of political socialisation, the various agents and agencies of persuasion, reaction to the 'experience of dominance' by dominant and dominated, the paradoxical impact of the missionary and the subversive role of some women. It also considers the significant issues of colonial adaptation, resistance and rejection, and the post-imperial consequences of imperialism.

Disciplined Subjects Aug 31 2022 This book examines interactions between Britain and India through the analytical framework of the production and circulation of knowledge throughout the long eighteenth century. Disciplined Subjects is one of the first works to analyse the imperial school curriculum, and the ways in which it shaped and influenced Indian subjectivity. The author focuses on the endeavours of the colonial government, missionaries and native stakeholders in determining the physical, material and intellectual content of institutional learning in India. Further, the volume compares the changes in pedagogical practices, and textbooks in schools in Britain and colonial Bengal, and its subsequent repercussions on the psyche and identity of the learners. Drawing on a host of primary sources in the UK and India, this volume will be of great interest to scholars and researchers of modern history, education, sociology and South Asian studies.

The Ideological Condition: Selected Essays on History, Race and Gender Aug 19 2021 The Ideological Condition is a feminist critique of ideology as a barrier to self and social transformation. Himani Bannerji explores the problematic of praxis by connecting forms of consciousness and politics. We see how people make history in spite of hegemony.

Rabindranath Tagore's Journey as an Educator Apr 26 2022 This book looks at Rabindranath Tagore's, experiments and journey as an educator and the influence of humanistic worldviews, nationalism and cosmopolitanism in his philosophy of education. It juxtaposes the educational systems and institutions set up by the British colonial administration with Tagore's pedagogical vision and schools in Santiniketan, West Bengal—Brahmacharya Asram (1901), Visva-Bharati University (1921) and Sriniketan Institute of Village Reconstruction (1922). An educational pioneer and a poet-teacher, Tagore combined nature and culture, tradition and modernity, East and West, in formulating his educational methodology. The essays in this volume analyse the relevance of his theories and practice in encouraging greater cultural exchange and the dissolution of the walls between classrooms and communities. This book will be useful for scholars and researchers of education, Tagore studies, literature, cultural studies, sociology of education, South Asian studies and colonial and postcolonial studies.

Stories of the Colonial Architecture Dec 23 2021 Colonial times witnessed several new constructions- giving shape to new spaces and interactions. This included both public and private spaces. This work focuses on specific public spaces from the colonial times across the regions of Kolkata (West Bengal, India) and Colombo (Western Province, Sri Lanka). Various similarities lie between these two cities pertaining to the British colonial times of the respective countries as the socio-cultural fabric slowly witnessed many changes within. Numerous public constructions across both cities stand till date, as sentinels to weave a communication of several stories of yore. The work aims to help in spreading awareness and an understanding about the need for a balance between history and modernity- a continuity from the past that helps to find answers to many questions in the present.

Reality at Dawn Sep 19 2021 Reality at Dawn Is one of the greatest yogic texts of the modern era. Written in the 1940s by Ram Chandra of Shahjahanpur , known as Babuji, it lights the path for seekers to explore Realisation and further onwards to the Centre of existence itself. Babuji writes in simple language, unravelling the most profound principles and wisdom, and it is from this deep wisdom that the practices of Heartfulness emerged. "Babuji has laid out the practical steps to reach the highest spiritual state available to human beings. He has also made this possibility available to all, no matter their current level of attainment, culture, education or background. In doing so, he has demystified spirituality and given it to the people."

The Path of the Mystic Lover Sep 27 2019 Carrying on the living tradition of mystic minstrels, the Bauls roam the countryside of eastern India enacting the spiritual love dalliance of Radha and Krishna through songs and dances. The Path of the Mystic Lover explores the Bauls' lifestyle and philosophy, describing their sexual and ritual practices as well as their sacred teachings.

Education and Inequality in India Jun 28 2022 Universalization of primary education has been high on the policy agenda in India. This book looks at the reproduction of social inequalities within the educational system in India, and how this is contested in different ways. It examines whether the concept of 'education for all' is just a mechanically conceived policy target to chasing enrolment and attendance or whether it is a larger social goal and a deeper political statement about the need for attacking entrenched social inequalities. Drawing on original data collected in the two states of Andhra Pradesh and West Bengal, the authors present the multiple ways in which social class impinges on the educational system, educational processes and educational outcomes. The book goes on to explore issues around autonomy and accountability via an analysis of the position of teachers within the educational hierarchy, and by looking at the various possibilities of making teachers accountable. Recommendations related to the necessity for a larger debate and normative framework are made, including whether private schools should play a role, and whether it is necessary to move from government action and responsibilities to a broader concept of public action. The book presents an interesting contribution for students and scholars of South Asian studies, as well as Education and Public Policy studies.

Sarama and Her Children May 28 2022 The Most Recognized Dog In Indian Myth Is The Dog In The Mahabharata That Accompanied The Pandavas Not Actually A Dog But Dharma In Disguise. There Are, However, Several More References To Dogs In The Classical Texts. Mentioned For The First Time In The Rg Veda, The Eponymous Sarama Is The Dog Of The Gods And The Ancestor Of All Dogs. In Sarama And Her Children, The Evolution Of

The Indian Attitude Towards Dogs Is Traced Through The Vedas, Epics, Puranas, Dharmashastras And Niti Shastras. The Widespread Assumption Is That Dogs Have Always Been Looked Down Upon In Hinduism And A Legacy Of That Attitude Persists Even Now. Tracing The Indian Attitude Towards Dogs In A Chronological Fashion, Beginning With The Pre-Vedic Indus Valley Civilization, Bibek Debroy Discovers That The Truth Is More Complicated. Dogs Had A Utilitarian Role In Pre-Vedic And Vedic Times. There Were Herd Dogs, Watchdogs And Hunting Dogs, And Dogs Were Used As Beasts Of Burden. But By The Time Of The Mahabharata, Negative Associations Had Begun To Creep In. Debroy Argues Convincingly That The Change In The Status Of The Dog In India Has To Do With The Progressive Decline Of The Traditional Vedic Gods Indra, Yama And Rudra (Who Were Associated With Dogs), And The Accompanying Elevation Of Vishnu, Associated With An Increase In Brahmana Influence. Debroy Demonstrates That Outside The Mainstream Caste Hindu Influence, As Reflected In Doctrines Associated With Shiva And In Buddhist Jataka Tales, Dogs Did Not Become Outcasts Or Outcastes. Drawing References From High And Low Literature, Folk Tales And Temple Art, Sarama And Her Children Dispels Some Myths And Ensures That The Indian Dog Also Has Its Day.

Three Women Aug 26 2019 Ignored by her well-meaning husband, Charulata falls in love with a high-spirited young cousin in *The Broken Nest* (Nashtaneer, 1901). Sharmila, in *Two Sisters* (Dui Bon, 1933) witnesses her husband sink her fortunes and his passion into his business – and her sister. And the invalid Neeraja finds her life slowly ebbing away as a new love awakens for her beloved husband in *The Arbour* (Malancha, 1934). Romantic, subtle and nuanced, Rabindranath Tagore's novellas are about the undercurrents in relationships, the mysteries of love, the ties and bonds of marriage, and above all about the dreams and desires of women.

Towards Infinity Sep 07 2020 *Towards Infinity* is Ram Chandra's seminal work on the chakras of the human system and the soul's journey back to the Source. Its implications are far-reaching – for the first time in thousands of years he sheds new light on human spiritual anatomy by going beyond the seven traditional chakras. The author does not discuss the lower chakras, instead, he starts with the heart and its qualities of love, compassion, courage and empathy as the centre of our humanity. He guides us through the experience of thirteen chakras, from the heart up to the final chakra at the back of the head. He describes the level of consciousness at each chakra and reveals the way to expand our consciousness to embrace each new stage along the way. *Towards Infinity* is a map of the journey to the ultimate destination, which sincere seekers of spirituality can then experience through their own practice with the support of Yogic Transmission.

Rabindranath Tagore Oct 01 2022 This collection provides a lucid introduction for those unfamiliar with Tagore's work, while simultaneously presenting important new scholarship and novel interpretation. Rabindranath Tagore is considered the greatest modern writer of India. He is also one of the great social and political figures in modern Indian history. After he received the Nobel Prize for literature in 1913, Tagore's reputation in the West has been based primarily on his mystical poetry. But beyond poetry, Tagore wrote novels of social realism, treating nationalism, religious intolerance, and violence. He wrote analytic works on social reform, education, and science- even engaging in a brief dialogue with Albert Einstein. Without ignoring religion and mysticism, the essays in this collection concentrate on this other Tagore. They explicate Tagore's writings in relation to its historical and literary context and, at the same time, draw out those aspects of Tagore's work that continue to bear on contemporary society.

Commentary on the Ten Maxims of Sahaj Marg Aug 07 2020 In this book, Ram Chandra has endeavoured to put into words those spiritual secrets that had previously been passed down from spiritual teacher to student silently through vibrations – from heart to heart. They relate to direct perception, to the study of Nature. Instead of focusing on what not to do, he shows us what we can do to mould our lifestyle to be in tune with our spiritual journey. The ten guiding principles are beautifully designed to follow the natural cycle of the day, starting with rising and meditating before dawn and finishing with the practices to be done just before sleeping at night. In between, he focuses on the principles that help us to meet the challenges of daily lives: being in tune with Nature, being authentic, accepting what comes, letting go of negative emotions and guilt, nurturing human oneness and unity in diversity, cultivating positive attitudes towards resources like food and money, and changing behavioural patterns that are limiting. If practised, these Maxims are ten steps to eternal peace and fulfilment in life.

Fruit-Gathering Dec 11 2020 *Fruit-Gathering* Rabindranath Tagore - *Fruit-Gathering* is a poem by Rabindranath Tagore, first published in 1916. *Fruit Gathering* is a book so rare in style and theme, yet not difficult to relate to as it is based on the relationship between God and man, the atom and the cosmos. Tagore was heavily influenced by the rich heritage of the Subcontinent and uses its fruit and flowers to symbolise the spiritual and moral values that underlie his own devotion and love for the creator. His simple poetic style finds the most evocative words and phrases, symbols and images, which have haunting music in them bringing out the deepest emotions of any reader. *Fruit Gathering* is the finest example of Tagore's simple poetic style whose influence is still strong today with his words heard daily in the Indian and Bangladesh national anthems and studied in countless countries as they continue to capture hearts and minds.

Rabindranath Tagore Nov 29 2019 This Volume Was An Offering To The Memory Of Rabindranath Tagore On The Occasion Of The Centenary Of His Birth. If The Best Homage To A Great Man Is To Be Paid Through An Understanding Of The Significance Of His Life And Work, This Publication Should Help Inspire Such A Homage Of Understanding. This Reprint Of The Book; Undertaken To Mark The 125Th Birth Anniversary Of The Poet, Will Bring Once Again To The Collective Consciousness Of A New Generation Of Men And Women The Memory Of A Greatness Which Was Amazing In Its Versality And Universal In Its Integrated Vision Of Life. Rabindranath Has Not Only Been A One-Man Synthesis Of The Old And The New, The Ancient And Modern, But He Has Also Been, Because Of His Extra-Ordinary Catholicity Of Mind, A Leading Light To The World Struggling To Be Reborn Into Sanity. Great Poets, It Is Said, Are For Ever Our Contemporaries And Some Of The Essays In This Volume Should Hopefully Drive Home The Relevance Of Rabindranath And All That He Stood For, As A Corrective To Our Age Of Cynic Despair. The Volume Contains Valuable Studies On The Many Aspects Of Tagore'S Personality And Genius Contributed By Eminent Writers And Scholars From Many Parts Of The World. There Are, Besides, A Full And Comprehensive Chronicle Of The Poet'S Life, From Year To Year, And A Bibliography Of His Publications In Bengali And English. Reproductions In Colour Of Some Famous Portraits Of The Poet By Distinguished Artists Add To The Value Of This Publication Which Is As Much A Tribute To The Genius Of Tagore As A Guide To Its Comprehension.

Shri Guru Granth Sahib: The Awakener Jul 06 2020 The purpose of this book is to introduce the reader to the Sikh philosophy and its core values & beliefs, as enshrined in Shri Guru Granth Sahib - the eternal Sikh Guru. It highlights the recurring themes and lessons contained in the Holy Scripture. The book emphasizes that Granth Sahib is not for Sikhs alone, but has universal appeal. It enjoins upon anyone and everyone to live a life full of purpose. It also shows, how the authors of the Holy Book were well ahead of their times in matters of spirituality, psychology, philosophy, cosmology and human rights. It is a spiritual guide for those who wish to tread that path.

Sahaj Marg Philosophy Jul 18 2021 *Sahaj Marg Philosophy* is a compilation of Ram Chandra's writings on philosophy as an intuitive science which underlies the practices of Sahaj Marg. He explains the nature of real peace, the heart

as the field of the mind, prayer as our link with the Source, and the importance of having a teacher of calibre. He expands on both the roles of the student and teacher throughout the spiritual journey and especially the role of the teacher in transmitting Pranahuti – Yogic Transmission. Sahaj Marg Philosophy has come from the source of his personal experience and superconscious awareness in the realm of Reality and beyond. Having himself journeyed to the Source, he presents philosophy from direct perception and, in this respect, it is akin to the great sacred texts of the past.

Rebels, Wives, Saints Jan 12 2021 In *Rebels, Wives, Saints*, acclaimed scholar Tanika Sarkar continues her revolutionary scholarship on women, religion, and nationhood in colonial Bengal. The colonial universe Sarkar describes in *Rebels, Wives, Saints* centers around symbols of women as both defiled and deified, exemplified in the idea of woman as widow and woman as goddess. The nation, Sarkar explains, is imagined as a woman-goddess within a country comprising plural cultural traditions. Sarkar also broadens the discussion to consider male reformers who battle Hindu conservatives, a Hindu novelist who idealizes nationalism as a means for overcoming Muslim influence, male-dominant social norms, and theatre and censorship. Throughout the book, Sarkar deploys her trademark focus on small, specific, emotional defining moments in order to arrive at a larger, compelling picture that reveals how people actually feel and experience life in Bengal.
