Personality Type: An Owner's Manual Dec 16 2021 Drawing from Jungian psychology and popular culture, this detailed guide to personality types will help you develop a deeper, more meaningful sense of your truest self For Jung, knowing your type was essential to understanding yourself: a way to measure personal growth and change. But his ideas have been applied largely in the areas of career and marital counseling, so type has come to seem predictive: a way to determine your job skills and social abilities. This book reclaims type as a way to talk about people's inner potential and the choices they make in order to honor it. Using everyday examples from popular culture—films, Star Trek, soap operas, comic strips—it describes the sixteen basic ways people come to terms with their gifts and values. In this book you will find tools to understand: • How your personality takes shape • How your type reflects not only your current priorities, but your hidden potential • How unlived possibilities are trying to get your attention • How relationships at home and at work can help you to tap your unrealized gifts

Concepts, Applications, Experimentation and Analysis of Wireless Sensor Networks Apr 27 2020 The new edition of this popular book has been transformed into a hands-on textbook, focusing on the principles of wireless sensor networks (WSNs), their applications, their protocols and standards, and their analysis and test tools; a meticulous care has been accorded to the definitions and terminology. To make WSNs felt and seen, the adopted technologies as well as their manufacturers are presented in detail. In introductory computer networking books, chapters sequencing follows the bottom up or top down architecture of the seven layers protocol. This book starts some steps later, with chapters ordered based on

a topic's significance to the elaboration of wireless sensor networks (WSNs) concepts and issues. With such a depth, this book is intended for a wide audience, it is meant to be a helper and motivator, for both the senior undergraduates, postgraduates, researchers, and practitioners; concepts and WSNs related applications are laid out, research and practical issues are backed by appropriate literature, and new trends are put under focus. For senior undergraduate students, it familiarizes readers with conceptual foundations, applications, and practical project implementations. For graduate students and researchers, transport layer protocols and cross-layering protocols are presented and testbeds and simulators provide a must follow emphasis on the analysis methods and tools for WSNs. For practitioners, besides applications and deployment, the manufacturers and components of WSNs at several platforms and testbeds are fully explored.

Breasts: The Owner's Manual Jan 17 2022 A national bestseller! Breast cancer surgeon Dr. Kristi Funk offers a comprehensive and encouraging approach to breast care and breast cancer. Empower yourself with facts and strategies to understand your breasts, reduce your cancer risk, and open your eyes to interventions and treatments. Most women don't want to hear about breast cancer unless they have it and need to make some decisions, but these days news about breast cancer—the number one killer of women ages twenty to fifty-nine—is everywhere. Chances are you know someone who has had it. But did you know

that choices you make every day bring you closer to breast cancer—or move you farther away? That there are ways to reduce your risk factors? And that many of the things you’ve heard regarding the causes of breast cancer are flat-out false? Based on Dr. Kristi Funk’s experience as a board-certified breast cancer surgeon, she knows for a fact that women have the power to reduce breast cancer risk in dramatic ways. Many women believe that family history and genetics determine who gets breast cancer, but that’s not true for most people. In fact, 87 percent of women diagnosed with breast cancer do not have a single first-degree relative with breast cancer. This book will help you: Learn the breast-health basics that every woman should know Reduce your cancer risk and recurrence risk based on food choices and healthy lifestyle changes backed by rigorous scientific research Understand the controllable and uncontrollable risk factors for breast cancer Outline your medical choices if you're at elevated risk for or are already navigating life with breast cancer There have been few solid guidelines on how to improve your breast health, lower your risk of getting cancer, and make informed medical choices after treatment—until now. With her book available in 10 languages and in more than 30 countries, Dr. Funk is passionate about her mission of educating as many women as possible about what they can do to stop breast cancer before it starts. Praise for *Breasts: The Owner’s Manual*: “Dr. Funk writes *Breasts: The Owner’s Manual* just like she talks: with conviction, passion, and a laser focus on you.”—Dr. Mehmet Oz, Host of *The Dr. Oz Show* “*Breasts: The Owner’s Manual* will

become an indispensable and valued guide for women looking to optimize health and minimize breast illness.”—Debu Tripathy, MD, Professor and Chair, Department of Breast Medical Oncology, University of Texas MD Anderson Cancer Center “Breasts: The Owner’s Manual not only provides a clear path to breast health, but a road that leads straight to your healthiest self. As someone who has faced breast cancer, I suggest you follow it.”—Robin Roberts, Co-anchor, Good Morning America

YOU: The Owner's Manual for Teens Aug 12 2021 A few years ago, we wrote **YOU: The Owner’s Manual**, which taught people about the inner workings of their bodies—and how to keep them running strong. But you know what? There’s a big difference between an adult’s body and your body, between adults’ health mysteries and your health mysteries, between their questions and your questions. So, teens, this book is for **YOU**. We’ll talk to you about the biological changes that are happening in your brain and your body. We’ll show you how to get more energy, improve your grades, protect your skin, salvage more sleep, get fit, eat well, maximize your relationships, make decisions about sex, and so much more. In fact, in these pages, we answer hundreds of your most pressing health-related questions. And you know what else? We are going to treat you like adults in one very important way: We’re not going to preach. We’re going to give you straight-up information that you can use to make smart choices about how to live the good life—and enjoy every

second of it. Starting right now.
