This teacher appreciation notebook or journal makes a great motivational and inspirational notebook gift for the teacher or homeschooler in your life. This Premium Teacher Planner is perfect for: Teacher Appreciation Gifts Teacher End of the School Year Gifts Teacher Thank You Gifts Teacher Inspirational Quote Gifts Teacher Retirement Gifts

**Penrose Tiles to Trapdoor Ciphers...and the Return of Dr. Matrix** Oct 21 2021 Martin Gardner's Mathematical Games columns in Scientific American inspired and entertained several generations of mathematicians and scientists. Gardner in his crystal-clear prose illuminated corners of mathematics, especially recreational mathematics, that most people had no idea existed. His playful spirit and inquisitive nature invite the reader into an exploration of beautiful mathematical ideas along with him. These columns were both a revelation and a gift when he wrote them; no one--before Gardner--had written about mathematics like this. They continue to be a marvel. This volume was originally published in 1989 and contains columns from published 1976-1978. This 1997 MAA edition contains three new columns written specifically for this volume including the resurrection of the lamented Dr. Matrix.

[Born of the Shadows](#) Oct 28 2019 Proud and rebellious, Gideon is banished from the Light. His own words define his punishment, transforming bloodlust into literal hunger. Living by his sword, he wanders the land of mortals, embittered and alone. Naomi works in secret, illuminating manuscripts for the Knights of St. John. Gideon is drawn to her beauty and fascinated by her innocence. She stirs the shattered remnants of his nobility, intensifying the conflict already raging within him. Gideon is unlike anyone Naomi has ever encountered before. His passionate kisses and intoxicating caresses leave her restless and wanting. Still, she senses the bleak loneliness he tries so hard to deny. Responding to his seduction with tenderness, she is determined to help him rediscover the beauty in life. The battle lines are drawn. Gideon must seek redemption or Fall. Naomi must lead her Rebel Angel back into the light before the forces of darkness have their way. Note: This book was previously published elsewhere under the same title and has been re-edited for Cerridwen Press.

**Civil Rights in Black and Brown** Feb 10 2021 Not one but two civil rights movements flourished in mid-twentieth-century Texas, and they did so in intimate conversation with one another. Far from the gaze of the national media, African American and Mexican American activists combated the twin caste systems of Jim Crow and Juan Crow. These insurgents worked chiefly within their own racial groups, yet they also looked to each other for guidance and, at times, came together in solidarity. The movements sought more than integration and access: they demanded power and justice. *Civil Rights in Black and Brown* draws on more than 500 oral history interviews newly collected across Texas, from the Panhandle to the Piney Woods and everywhere in between. The testimonies speak in detail to the structure of racism in small towns and huge metropolises—both the everyday grind of segregation and the haunting acts of racial violence that upheld Texas's state-sanctioned systems of white supremacy. Through their memories of resistance and revolution, the activists reveal previously undocumented struggles for equity, as well as the links Black and Chicano organizers forged in their efforts to achieve self-determination.

**Spagh-Yeti** Nov 09 2020 Originelles Notizbuch im Format 6x9 Zoll (ca. A5). Die 110 blanko Seiten bieten reichlich Platz für Notizen oder Tagebucheinträge! All four books are designed specifically to teach and reinforce basic concepts for preschool through early elementary school children.

[From the Kaiserhof to the Reich Chancellery](#) Jan 24 2022 Nazi propaganda minister Joseph's Goebbels diaries from January 1932 to May 1933 provide a first-hand chronicle of the tumultuous time which saw Adolf Hitler propelled from his civilian headquarters at the Kaiserhof Hotel into the office of Chancellor of Germany. The day-by-day entries provide riveting reading and reveal long-suppressed facts, such as: - How the Weimar "democracy" forced the Nazis into fighting elections while banning their newspapers and forbidding them to hold public meetings; - The campaign of terrorism and murder waged against the NSDAP by the communists; -The NSDAP's funding; -The clash with the socialist Strasserite wing of the party; -The political intrigues which eventually forced the establishment to offer the post of Chancellor to

Hitler after three general elections in one year; -The burning of the Reichstag; - The Jewish declaration of war against Germany and the counter-boycott of Jewish shops in German, organized by the author; and much more. An essential and fascinating account of the Nazi road to power, first published in Germany in 1933, and then in English in 1938 under the title "My Part in Germany's Fight." This new edition has been completely reset and includes 18 appendices containing full English translations of a number of articles by the author, taken from his oft-banned newspaper, *Der Angriff* and from speeches made at the time.  
[Mein Kampf](#) Nov 29 2019 *Mein Kampf* ("My Struggle") is an autobiographical manifesto by the National Socialist leader Adolf Hitler, in which he outlines his political ideology and future plans for Germany. Volume 1 of *Mein Kampf* was published in 1925 and Volume 2 in 1926. The book was edited by Hitler's deputy Rudolf Hess. Hitler began dictating the book to Hess while imprisoned for what he considered to be "political crimes" following his failed Putsch in Munich in November 1923. Although Hitler received many visitors initially, he soon devoted himself entirely to the book. As he continued, Hitler realized that it would have to be a two-volume work, with the first volume scheduled for release in early 1925.

**Let Us Not Forget** Jul 06 2020 Over 70 authors and veterans share the sacrifices so many of America's veterans have made, in peacetime and in war, throughout the 20th century. You'll read about Duty, Honor, Courage - from the testing of a submarine, to the loss of the Space Shuttle Challenger, to the everyday sacrifice of men and women in uniform, whether serving during peace or war. You'll walk bloodied beaches, soar over enemy turf, pray, crawl in and out of caves, tend the wounded, shoot and be shot at, feel your heart race with fright as flak comes at you from every direction...walk the deck...hit the deck...feel the heat as fire dances across the deck, into the cockpit and into the foxhole you occupy. Your heart will constrict as the man in front of you takes the bullet meant for you. You'll know the painful bite of shrapnel, the gnawing ache hunger brings and red-hot anger as a comrade falls. But most of all, you'll experience total, unabridged fear as you watch the enemy advance through the eyes of the author, and a swelling of pride as you meet America's veterans.

**Hitler Was My Friend** Jul 30 2022 "Here's Adolf Hitler in a series of bizarre photographs which he kept hidden from the world . . . They have now been published in this memoir."—Daily Express Heinrich Hoffmann was a key part in the making of the Hitler legend, the photographer who carefully crafted the image of the Führer as a godlike figure. Hoffmann published his first book of photographs in 1919, following his work as an official photographer for the German army. In 1920 he joined the Nazi Party, and his association with Hitler began. He became Hitler's official photographer and traveled with him extensively. He took over two million photographs of Hitler, and they were distributed widely, including on postage stamps, an enterprise that proved very profitable for both men. Hoffmann published several books on Hitler in the 1930s, including

*The Hitler Nobody Knows* (1933). Hoffmann and Hitler were very close, and he acted not only as a personal confidante—his memoirs include rare details of the Führer—but also as a matchmaker; it is Hoffmann who introduced Eva Braun, his studio assistant, to Hitler. At the end of the war, Hoffmann was arrested by the US military, who also seized his photographic archive, and was sentenced to imprisonment for Nazi profiteering. This edition of a classic book includes photographs by Hoffmann and a new introduction by Roger Moorhouse. "An extraordinary new book of photographs of Adolf Hitler includes one that so embarrassed him he banned it from being published. It shows the Führer in his lederhosen, striking an absurdly camp pose as he leans against a tree."—The Times

[Death of an Engineer](#) May 04 2020 This farcical glimpse into the engineering culture of the late 20th-century industrial-Midwest is like the cut on a bolt, at times coarse, at times fine. Three engineers walk into a subterranean tinkerer's paradise and converge to forestall the demise of a dying manufacturing plant. The fate of a fourth, the unknown railroad engineer, is in their hands. The philosophical Vince Steele, a fresh engineering graduate, dreams to enter industry as a company man and proposes to merge his passion for poetry with his chosen career into an innovative business model. Vince is teamed with two higher-ranking, pragmatic veterans of industry, specialists in applied fluid mechanics and cold-air machines, whose careers are on life support: Verne, a colloquial, freelancer; and the Director of Engineering, an anxious, company loyalist. Sales professionals, better halves and special guests round out the cast of characters. A vision of Vince Steele, *Death of an Engineer* is an existential portrayal of the intermediate space between death and rebirth, within the revolving ellipse of power.

**Collins Rhyming Dictionary** Nov 21 2021 If it's time for a rhyme, or you need a satiric lyric, the Collins Rhyming Dictionary is the fastest and easiest way to refine your line.

[The Hollow Earth](#) Sep 19 2021 1964 Dr.

Bernard says this is the true home of the flying saucers. the epoch-making significance of Adm. Byrd's flight for 1,700 miles into the North Polar opening leading to the hollow interior of the earth, the home of a Super Race who are the Creators.

*Primal Instinct* Mar 26 2022 A killer stalks the city streets, and one FBI agent is determined to bring him down in this classic story from reader favorite Janie Crouch's *Primal Instinct*. On the crowded streets of San Francisco, a serial killer watches and waits. Known only as "Simon Says," he lures his next victim while the FBI grasps for answers. Desperate, they turn to Adrienne Jeffries. Adrienne has an uncanny talent for getting inside the city's most dangerous minds. But first she'll have to get past FBI agent Conner Perigo. Skeptical of Adrienne's abilities, Conner begrudgingly enlists her help...unprepared for the powerful attraction that could jeopardize their focus. With little time, and everything to lose, they must work to find Simon's next victim—before he does. Originally published in 2014 Look for more books in Janie Crouch's *Instinct Series*: *Critical Instinct* *Survival Instinct*

[The Mystery of the Katyn Massacre](#) Feb 22

2022 In April 1943, German authorities claimed that they had found the bodies of more than 4,000 Polish prisoners of war buried near Katyn, in the Western Soviet Union. The Polish exile government in London agreed with the Germans. In January, 1944, Soviet authorities issued a report claiming that the Germans had murdered the Polish POWs. In 1990-92 Soviet,

then Russian authorities agreed that the Soviets were indeed the guilty party. But by 2010 serious evidence had been discovered that cast doubt on Soviet guilt. There has never been an objective, thorough study of this mystery - until now. All mainstream accounts blame the USSR - Stalin - for the deaths, while all the evidence points in the opposite direction. Grover Furr has identified, obtained, and studied all the evidence, and has also studied all the supposedly "authoritative" scholarly accounts of Katyn, with skill and - what is most important - with objectivity. In this book he lays

out the evidence and solves this mystery for once and for all.
