Sexual Orientation and the Law Oct 25 2019
"This bibliography was conceived as an update to the 1994 original(Law Library Journal, Winter 1994), rather than as a wholly new work. For that reason its design follows closely the topical outline of its predecessor. Alterations to that outline provide suggestive indicators of the extent to which legal realities have changed in the interim. This version also features an attention to foreign and international aspects of sexual orientation law that were missing in the prior documents."-- Publisher's website.
