The Story Grid May 23 2022
WHAT IS THE STORY GRID?
The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It

pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

parenthood Featuring the novella “The Book of Mycah,” soon to be adapted by Lena Waithe’s Hillman Grad Productions & Warner Bros. TV Across three sequences, Joshua Bennett’s new book recalls and reimagines social worlds almost but not entirely lost, all while gesturing toward the ones we are building even now, in the midst of a state of emergency, together. Bennett opens with a set of autobiographical poems that deal with themes of family, life, death, vulnerability, and the joys and dreams of youth. The central section, “The Book of Mycah,” features an alternate history where Malcolm X is resurrected from the dead, as is a young black man shot by the police some fifty years later in Brooklyn. The final section of *The Study of Human Life* are poems that Bennett has written about fatherhood, on the heels of his own first child being born last fall.

Locating Shakespeare in the Twenty-First Century Feb 26

2020 The first decade of the new century has certainly been a busy one for diversity in Shakespearean performance and interpretation, yielding, for example, global, virtual, digital, interactive, televisual, and cinematic Shakespeares. In *Locating Shakespeare in the Twenty-First Century*, Gabrielle Malcolm and Kelli Marshall assess this active world of Shakespeare adaptation and commercialization as they consider both novel and traditional forms: from experimental presentations (in-person and online) and literal rewritings of the plays/playwright to televised and filmic Shakespeares. specifically, contributors in *Locating Shakespeare in the Twenty-First Century* examine the BBC's *Shakespeare RE-Told* series, Canada's television program *Slings and Arrows*, the Mumbai-based film *Maqbool*, and graphic novels in Neil Gaiman's *Sandman* series, as well as the future of adaptation, performance, digitization, and translation via such projects as National Theatre Live, the Victoria and Albert Museum's Archive of Digital Performance, and the British Library's online presentation of the complete Folios. Other authors consider the place of Shakespeare in the classroom, in the Kenneth Branagh canon, in Jewish revenge films (Quentin Tarantino's included), in comic books, in Young Adult literature, and in episodes of the BBC's popular sci-fi television program *Doctor Who*. Ultimately, this collection sheds light, at least partially, on where critics think Shakespeare is now and where he and his works might be going in the near future and

long-term. One conclusion is certain: however far we progress into the new century, Shakespeare will be there. *A Separate Peace* Oct 28 2022 An American coming-of-age tale during a period when the entire country was losing its innocence to the second world war Set at a boys' boarding school in New England during the early years of World War II, *A Separate Peace* is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world. *Good Kids, Bad City* Nov 05 2020 From award-winning investigative journalist Kyle Swenson, *Good Kids, Bad City* is the true story of the longest wrongful imprisonment in the United States to end in exoneration, and a critical social and political history of Cleveland, the city that

convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution’s case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found. Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and Rickey were released. But while their exoneration may have ended one of American history’s most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland’s history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage

occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest, and how lost lives can be recovered.

Deadline Poets Society Oct 04 2020 Not so long ago, newspapers were trusted by their readers. In return, newspapers trusted their readers wanted high-quality journalism. Thorough, factual coverage was standard; and insightful, vivid prose was the bonus. The best daily newspapers were important parts of their communities and of their readers’ lives. In “Deadline Poets Society”, Bill Osinski celebrates that bygone era. For nearly four decades and for eleven different newspapers, Bill sought to provide a special stylistic touch that would offer readers a whimsical, dramatic, insightful, wry, or heartwarming trip to a place they might never go, a chance to meet people they would never otherwise meet. Along the way, he met people

like the suburban super-mom who devoted herself to improving the lives of residents of leprosy colonies, a mother who lost three sons in a coal-mine explosion, a man who was blatantly railroaded to death row, a college freshman who strutted around campus though he had no legs, a young girl who was repeatedly abused by the middle-aged man who claimed to be her god, a man who built himself a covered bridge in his front yard, and a Vietnamese war orphan seeking the American military personnel who had saved her life 35 years ago. Bill and his family moved 17 times during his newspaper years, and he had more editors than he can remember. But his first loyalties were always to the people like the ones in the fifty or so stories in this collection. They freely shared their stories with him and trusted him to tell those stories truly and well.

The Stasi Poetry Circle Jun 12 2021 The extraordinary true story of the Stasi's poetry club: Stasiland and The Lives of Others crossed with Dead Poets Society. 'A magnificent book . . . at once touching, exquisite, devastating and extraordinary.' PHILIPPE SANDS, author of East West Street and The Ratline 'A vivid, funny, and imperturbable portrait of Soviet Russia's most loyal satellite.' NELL ZINK Berlin, 1982. Morale is at rock bottom in East Germany as the spectre of an all-out nuclear war looms. The Ministry for State Security is hunting for creative new weapons in the war against the class enemy - and their solution is stranger than fiction. Rather than guns, tanks, or bombs, the Stasi develop a programme to fight capitalism through rhyme and verse, winning the culture war through poetry - and the result is the most bizarre book club in history. Consisting of a small group of spies, soldiers and border guards - some WW2 veterans, others schoolboy

recruits - the 'Working Group of Writing Chekists' met monthly until the Wall fell. In a classroom adorned with portraits of Lenin, they wrote their own poetry and were taught verse, metre, and rhetoric by East German poet Uwe Berger. The regime hoped that poetry would sharpen the Stasi's 'party sword' by affirming the spies' belief in the words of Marx and Lenin, as well as strengthening the socialist faith of their comrades. But as the agents became steeped in poetry, revelling in its imaginative ambiguity, the result was the opposite. Rather than entrenching State ideology, they began to question it - and following a radical role reversal, the GDR's secret weapon dramatically backfired. Weaving unseen archival material and exclusive interviews with surviving members, Philip Oltermann reveals the incredible hidden story of a unique experiment: weaponising poetry for politics. Both a gripping true story and a parable about creativity in a

surveillance state, this is history writing at its finest.

The Freedom Writers Diary (20th Anniversary Edition) Apr 29 2020 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She

was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the *Freedom Writers*, as they blend indispensable takes on social

issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

The Beauty of Baudelaire Dec 06 2020 This book offers the first comprehensive close reading in any language of the complete works of Charles Baudelaire (1821-1867). Taking full account of his critical writings on literature and the fine arts, it provides fresh readings of Les Fleurs du Mal and Le Spleen de Paris. It situates these works within the context of nineteenth-century French literature and culture and reassesses Baudelaire's reputation as the 'father' of modern poetry. Whereas he is traditionally considered to have rejected the public role of the writer as moralist, educator, and political leader and to have dedicated himself instead to the exclusive pursuit of beauty in art, this book contends not only that he rejected Art for Art's sake but that he saw in 'beauty'—defined not as an

inherent quality but as an effect of harmony and rich conjecture—an alternative ethos with which to resist the tyrannies of ideology and conformism. Contrarian in his thinking and provocatively innovative in his poetic practice, Baudelaire fell foul of the law when six poems in Les Fleurs du Mal (1857) were banned for obscenity. In the second edition (1861), substantially recast and enlarged, the poet as alternative lawgiver made plainer still his resistance to the orthodoxies of his day. In a series of major critical articles he proclaimed the 'government of the imagination', while from 1855 until his death he developed an alternative literary form, the prose poem—a thing of beauty and an invitation to imagine the world afresh, to make our own rules. today's populist movements and the future of global democracy, and a new preface by the author's son, Daniel Krauthammer "Charles will be remembered as one of the greatest public intellectuals of his generation."—John McCain In his decades of work as America's preeminent political commentator, whether writing about statecraft and foreign policy or reflecting on more esoteric topics such as baseball, spaceflight and medical ethics, Charles Krauthammer elevated the opinion column to a form of art. This collection features the columns, speeches and unpublished writings that showcase the best of his original thought and his last, enduring words on the state of American politics, the nature of liberal democracy and the course of world history. The book also includes a deeply personal section offering insight into Krauthammer's beliefs about what mattered most to him: friendship, family and the principles he lived by. The Point of It All is a timely

demonstration of what made Charles Krauthammer the most celebrated American columnist and political thinker of his generation, a revealing look at the man behind the words and a lasting testament to his belief that anyone with an open and honest mind can grapple deeply with the most urgent questions in politics and in life.

Why Poetry Jul 21 2019 An

impassioned call for a return to reading poetry and an incisive argument for poetry's accessibility to all readers, by critically acclaimed poet Matthew Zapruder In Why Poetry, award-winning poet Matthew Zapruder takes on what it is that poetry—and poetry alone—can do. Zapruder argues that the way we have been taught to read poetry is the very thing that prevents us from enjoying it. In lively, lilting prose, he shows us how that misunderstanding interferes with our direct experience of poetry and creates the sense of confusion

or inadequacy that many of us feel when faced with it. Zapruder explores what poems are, and how we can read them, so that we can, as Whitman wrote, "possess the origin of all poems," without the aid of any teacher or expert. Most important, he asks how reading poetry can help us to lead our lives with greater meaning and purpose. Anchored in poetic analysis and steered through Zapruder's personal experience of coming to the form, *Why Poetry* is engaging and conversational, even as it makes a passionate argument for the necessity of poetry in an age when information is constantly being mistaken for knowledge. While he provides a simple reading method for approaching poems and illuminates concepts like associative movement, metaphor, and negative capability, Zapruder explicitly confronts the obstacles that readers face when they encounter poetry to show us that poetry can be read, and enjoyed, by anyone.

We Are Here: Village Poets

Anthology Nov 24 2019 This anthology with work by over 80 American poets celebrates the tenth anniversary of Village Poets Monthly Readings, held since 2010 at Bolton Hall Museum in Tujunga, California - a Historical Landmark in the City of Los Angeles. The Village Poets have also held events at the McGroarty Arts Center, the former home of the California Poet-Laureate in 1933-1944, John Steven McGroarty. His Poet-Laureate role inspired the local Poet-Laureate program, initiated in 1999. The anthology's editors are both former Poets-Laureate of Sunland-Tujunga: Marlene Hitt was the First, in 1999-2001 and Dr. Maja Trochimczyk served as the Sixth in 2010-2012 when the readings were initiated. The book consists of two parts: Guests and Featured Poets, represented by 1-3 poems each; and Poets-Laureate, with 10 poets, represented by 6-9 poems each. To Live Deliberately Oct 16

2021 Henry David Thoreau dropped the gauntlet with *Walden* in 1854, and it is more relevant than ever. *To Live Deliberately* is our visual reimagining of Thoreau's most well-known essay, *Where I Lived and What I Lived For*. Accompanied by 30 illustrations, the essay challenges the trappings of modern living and embraces an ascetic rejection of the material and the trivial in exchange for a reconnection with nature as a path toward self-discovery. We judiciously edited Thoreau's essay to avoid any unnecessarily confusing news references, and were amazed to discover that not only does this manifesto otherwise hold up, but it also feels surprisingly modern and more relevant than ever. Thoreau's rejection of news as largely gossip, and the obsession with travel and railroads as idle self-indulgence, bear a sobering resemblance to our modern preoccupation with social media and internet surfing. In both instances, the impulse to

seek distraction is the same. The Obvious State Classics Collection is an evolving series of visually reimagined beloved works that speaks to contemporary readers. The pocket-sized, collectable editions feature the selected works of celebrated authors such as T. S. Eliot, Edgar Allan Poe, Walt Whitman, Sara Teasdale and Henry David Thoreau.

work** Mar 29 2020 This book communicates new voices, insights, and possibilities for working with the arts and memory in researching teacher professional learning. The book reveals how, through the arts, teacher-researchers can reimagine and reinvigorate

moments of the past as embodied and empowering scholarly experiences. The peer-reviewed chapters were composed from juxtaposing unique “mosaic” pieces written by 21 new and emerging scholars in South Africa and Canada. Their research explores diverse arts-based practices and resources including collage, film, drawing, narrative, poetry, photography, storytelling and television alongside related ethical issues. Critically, Memory Mosaics also demonstrates how artful memory-work can engender agency in professional learning with teacher-researchers taking up pressing issues of social justice such as inclusion and decolonisation. Overall, the book offers a multidimensional, polyvocal exploration of how artful memory-work can bring about future-oriented professional learning enacted as pedagogies of reinvention and productive remembering. by Kathleen Pithouse-Morgan, Daisy Pillay, and Claudia Mitchell, along with teacher-researchers on two continents, is a ground-breaking book. It models a collaborative approach to arts-based research that melds memory-work, visual and poetic arts, and reflective practice to promote professional learning, personal transformation, decolonisation, and a more just future. Like colourful pebbles and bits of glass, the authors place teachers' self-stories in relation to one another in an artful design, creating thematic coherence that evokes a deep sense of knowing. Memory Mosaics: Researching Teacher Professional Learning Through Artful Memory-Work assembles exemplars of professional

learning in an intriguing mosaic format. A topic is introduced, followed by memory-pieces; then: discussion and/or creative response. This lively juxtaposition generates momentum for highly productive forms of remembering around social justice issues, even as the reader is invited into an intimate circle of shared concern: for these issues, with these (and other) teacher-researchers. It is a beautiful, original, and practical book.
