[The Universal Christ](#) Apr 30 2020 NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

The God I Never Knew Oct 05 2020 "The God I Never Knew gives life-changing insight into the mystery of the Holy Spirit."—Craig Groeschel, senior pastor of Life.Church and author of *Dangerous Prayers* Many people find the Holy Spirit mysterious and confounding. Why is the third person in the Godhead—the one Jesus said would be the believer's ultimate source of truth and comfort—the source of such confusion? In *The God I Never Knew*, Robert Morris clearly explains that the Holy Spirit's chief desire is for relationship—to offer us the encouragement and guidance of a trusted friend. This insightful and biblically-based book—including a small group study guide—moves beyond theological jargon, religious tradition, and cultural misconceptions to clarify what the Holy Spirit promises to do in your life: · Dwell within you · Be your helper · Guide you into all truth · Comfort you · Pray for you · Show you things to come · Never leave you It's time to experience the Holy Spirit in a fresh, new way to meet the God you may have never known.

Reclaiming Our Forgotten Heritage Apr 11 2021 "A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom. . . . There is no better time than now to learn about and become firmly grounded within your spiritual heritage." —from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus, and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish, and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption, and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. *Reclaiming Our Forgotten Heritage* reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity.

Crazy Love Jun 25 2022 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Like you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to be wrong on this issue." This is not a book about who is saying what. When a Nation Forgets God Jul 14 2021 This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall. - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy* In *When a Nation Forgets God*, Erwin Lutzer studies seven similarities between Nazi Germany and America today—some of them chilling—and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan. At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. *When a Nation Forgets God* uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.

I opened myself up and included my personal journal entries and e-mails that were written during this time in hopes that everyone who reads this will get a better understanding that grief is real, and we need to be true to those feelings.

Surprised by the Power of the Spirit Jun 13 2021 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in popular style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people

on both sides of the debate about miraculous gifts.

Yhwh Mar 10 2021 GOD has ONE NAME. ""I am YHWH, That is MY NAME."" ""but MY NAME 'YHWH'; this is MY NAME forever'.YHWH told Israel to swear by HIS NAME and no other. The ancient Israelites swore, took oaths, made vows, greeted, and cried out to YHWH in HIS NAME.Today, THE NAME of YHWH is forbidden to be spoken by the Jewish people by the 'rabbis' under threat of not being allowed to enter into the world to come. The correct pronunciation of GOD's HOLY NAME, "YHWH" has been forbidden and now forgotten so euphemisms are used in it's place.The importance of THE NAME of 'YHWH' cannot be overstated. YHWH is THE ONLY NAME that GOD said is HIS NAME. HIS NAME "YHWH" is written nearly 7,000 times in the Hebrew Bible. YHWH said for us to use HIS NAME, to call, to swear, to make our vows and to praise HIM by. The 'rabbis' say GOD has 72 'names', but GOD said HE only has ONE NAME, 'YHWH'.This book is about the NAME of GOD 'YHWH', and it's forgotten importance to the Jewish people.
