[Construction Hazardous Materials Compliance Guide](#) Aug 09 2020 Disturbing asbestos materials during construction is a serious hazard that all contractors may encounter. Because of the insidious nature of the material as a health hazard, EPA regulations require that even when a structure is to be completely demolished, asbestos (and all other hazardous materials) must be removed by a qualified contractor prior to general demolition. A construction contractor contemplating abatement work needs to ascertain regulatory applicability under one of the following: OSHA-approved state program, Federal OSHA regulations (applicable to the private sector and certain federal employees) or OSHA-approved. [Construction Worksite Compliance Guide to Asbestos](#) provides the contractors, building owners and inspectors with the current best management practices for asbestos removal and disposal methods. Packed with checklist, tables and "quick lookup" materials, this manual provides a step by step approach for identifying asbestos, complying with OSHA and EPA regulations as well as the safe disposal of asbestos. Ascertain the presence of asbestos through testing Prepare the abatement plan Submit the plan to the state, EPA or local municipality having jurisdiction Proper Waste Disposal techniques Scope of work

South of 49 Oct 11 2020 "South of 49 is a must-read for anyone wanting to buy real estate in the United States. This groundbreaking book is jammed full of practical information that will ensure you avoid all the potential pitfalls."

Les Hewitt, author of The Power of Focus "When buying real estate anywhere in the world, one must know all the facts and go in with eyes wide open. Before you even consider buying outside of Canada, know the realities by reading this book and learn from others' mistakes." Don R. Campbell, best-selling author of Real Estate Investing in Canada "For any Canadian, buying real estate in the US can be the best decision you ever make, or the worst mistake you'll never forget. Philip's the real deal-an international investor who speaks from experience. This book will teach you how to make a great deal, reduce your risk and enjoy the journey along the way." Greg Habstritt, founder of SimpleWealth From the Introduction: Whether it's a lifestyle purchase or an investment, there are many factors about buying US property that many Canadian buyers understandably find confusing, or they overlook.

Add to that the complexities of the new foreclosure-driven buyers' market, and buying a US property could be a recipe for disaster if you don't do your homework. That's where South of 49 comes in. This book is about more than just tax advice and buying tips. We take you through all of the real-life considerations when buying down south, from travel time and immigration rules to making sure the home or condo you buy actually fits your investment goals. We will also help you answer one very important question when considering such a purchase: Why? Why should you buy a place and not just rent? Why should you buy in Florida instead of California, for example? The answers? It all depends. It depends on you, your individual circumstances and your goals. This book will help you think through these decisions before you make them.

Selling Jun 18 2021 Selling: It's Personal, 49 Tips to Outsell the Competition for the New Economy Author Don Saracen, national sales expert and creator of the People Proposition Process, illuminates what's been lost in the new economy and what he learned at the knee of his father-the awareness that people are behind every transaction.
