Matt Sprouts and the Curse of Ten Broken Toes Aug 19 2021 Twelve-year-old Matt Sprouts is in big trouble. He didn't mean to hurt his neighbor Jenna with that awesome ninja move, it just happened! Blame it on morning cartoons or Jenna's lack of coordination. Anyways, getting grounded is the worst thing that could happen, right? Wrong. After the ninja incident spirals into a series of downright unfortunate events, it's decided that Matt has contracted the Curse, a hometown myth that has ruined the lives of middle schoolers before him. And as if the Curse weren't enough, entering sixth grade proves to be just as mysterious-his first job, a strange girlfriend, insane teachers, and soccer tournaments bring more problems. Finally, his life's unpredictable path leads Matt to take matters into his own hands. To put a stop to everything, he calls upon awkward new friends, bumblebees, the Purple Grape Lady, crutches, and a few other tricks to attempt the impossible: break THE CURSE!

Ten Tiny Fingers, Nine Tiny Toes Nov 29 2019 A play by one of Britain's best-selling writers "Set in the year 2001 where the class system is numbered from one to five and only the upperclasses are allowed to breed, Ten Tiny Fingers, Nine Tiny Toes is about the births of a perfect but illegal 'class five' baby, and an imperfect 'government' baby bought by a 'class three' mother and exterminated at birth because of her nine toes...compulsive viewing...insanity is served up as common sense - to sinister effect." Kate Kellaway, Observer

Red Hat, Pink Boots Nov 09 2020 With this fashion-forward board book, little ones can mix and match tops and bottoms to create giggle-inducing clothing combinations. [Ten Toes Down for My Baby](#) May 16 2021 Eighteen-year-old Krystal is no stranger to the hardships of life; however, she'd let nothing stop her from dusting herself off and trying again. During a time when the young and ambitious, Krystal, is going through a rough patch in her life, doing all she can, things don't fall into place until she meets the likes of G, a well-respected hustler. After G does the unthinkable, leaving Krystal and her infant son on the streets, she's back to square one and has to pick herself up, once again. Shortly after, Krystal stumbles upon Khalil, and he's there for her, mentally, physically, and emotionally. Sooner than later, Krystal finds out when the heart loves more than one, it can become a game of tug of war, pulling you in different directions until the stronger adversary wins, but who will it be? Fresh out of prison, Eamon re-enters the world with a chip on his shoulder and a mission to shit on everyone who turned their backs on him when he needed them most, especially his baby's mother. While on a mission to stack his paper, he becomes friend's with the one person he least expects, and the two fall crazy in love with one another. However, with that same love comes a slew of problems that neither of them is truly prepared for. Niyah's lived a very luxurious life with her

husband De'Andre; however, after one too many infidelities, she finds herself back at home with nothing. Too ashamed to ask for handouts, Niyah tosses the red bottoms, replacing them for Timbs, willing to get her hands and feet dirty to make way for her and her daughter. While she's out to get the cash by any means, she finds herself in a world full of trouble and is forced to team up with the one person she can't stand to be in the same room with. Together, the two take on whatever is thrown their way, including an illegitimate love affair. But what how will their hood fairytale work out, when Niyah's first cousin, just so happens to also be Eamon's deadbeat baby mama from hell? In this two part series, grab your wine and Kleenex while experiencing first hand, the wind and losses that come with love & and the streets. Loving the wrong man can be draining, but what happens when you find the right one and you have absolutely no control of your heart? Will you be receptive to it or do you run like hell in the opposite direction? When the going gets tough, the tough get going, and all any real nigga truly wants, is someone to stay Ten Toes Down.

Leonardo's Foot Jan 24 2022 A Selection of the Scientific American, History, and BOMC2 Book Clubs "An in-depth look at the anatomy and history of feet reveals their often overlooked importance in human evolution, medicine and art." —Science News "Stylish, informative, entertaining, and pleasantly personal . . . Whether Rinzler is exploring how our feet explain or illuminate such topics as evolution, disability, racism, diet, or desire, she maintains a fascinating perspective on the peculiarities of being human." —Rain Taxi Review of Books "This neat little book draws a clear picture of our feet, providing understanding that extends far beyond the obvious. Readers often like to walk away from a book feeling they learned something—that the author left them with a new way to look at an old idea, and this book fulfills that need." —City Book Review "Rinzler lifts the lowly human foot to new heights in this appealing book." —Booklist (starred review) Leonardo's Foot stretches back to the fossil record and forward to recent discoveries in evolutionary science to demonstrate that it was our feet rather than our brains that first distinguished us from other species within the animal kingdom. Taking inspiration from Leonardo da Vinci's statement that "the human foot is a masterpiece of engineering and a work of art," Carol Ann Rinzler leads us on a fascinating stroll through science, medicine, and culture to shed light on the role our feet have played in the evolution of civilization. Whether discussing the ideal human form in classical antiquity, the impressive depth of the arching soles on the figures in Sandro Botticelli's Birth of Venus, an array of foot maladies and how they have affected luminaries from Lord Byron to Benjamin Franklin, or delving into the history of foot fetishism, Rinzler has created a wonderfully diverse catalog of details on our lowest extremities. This is popular science writing at its most entertaining—page after page of fascinating facts, based around the playful notion that appreciating this often overlooked part of our body is essential to understanding what it is to be human. Carol Ann Rinzler, a former nutrition columnist for the New York Daily News, has contributed to a number of publications, including the New York Times. She is the author of more than twenty books on health and medicine, including Nutrition for Dummies, an international bestseller translated into fourteen languages.

Ten Toes Down Nov 21 2021 It's so easy to be a bad boy when you no longer have to be good. Sebastian Behr used to be a good boy. Hot shot, high flying call centre executive, he had a little piece of everything: respect, a huge paycheck, beautiful wife, high-end cars, and a big house. The only things left to get were a couple of nice kids and that happy coast to a comfortable retirement. Nothing was supposed to get in his way. Instead, his wife got a boyfriend, his job got downsized and he's taken in some new roommates. And now, with nothing else to do, it's all boobs, booze, and rejection letters. Sebastian knows what it takes to be good, but does he have what it really takes to be bad? Ever wonder what a man thinks when he picks a woman out of a crowd and convinces her to sleep with him? Ever wonder what he thinks about himself when he does it? Sebastian Behr can tell you. Riotously funny, refreshingly honest, and deceptively insightful, *Ten Toes Down* is a spirited personal odyssey that follows Sebastian Behr as he searches for his place in the world in the wake of an unexpected divorce, countless hangovers and endless available women. Venturing boldly into the heart of the contemporary male, *Ten Toes Down* wallows just long enough in the libidinous antics and bad boy manners of Sebastian's post-divorce regression to deliver the reader a boisterous ride to the dirty side of town.
